The Of Boxing:

The Legality of Boxing Jack Anderson,2007-04-26 The first book of its kind dedicated to an assessment of the legality of boxing The Legality of Boxing A Punch Drunk Love assesses the legal response to prize fighting and undertakes a current analysis of the status of boxing in both criminal legal theory and practice In this book Anderson exposes boxing s exemption from contemporary legal and social norms Reviewing all aspects of boxing historical legal moral ethical philosophical medical racial and regulatory he concludes that the supposition that boxing has a consensual immunity from the ordinary law of violence based primarily on its social utility as a recognised sport is not as robust as is usually assumed It suggests that the sport is extremely vulnerable to prosecution and might in fact already be illegal under English criminal law outlines the physical and financial exploitation suffered by individual boxers both inside and outside the ring suggesting that standard boxing contracts are coercive thus illegal and that boxers do not give adequate levels of informed consent to participate advocates a number of fundamental reforms including possibly that the sport will have to consider banning blows to the head proposes the creation of a national boxing commission in the US and a similar entity in the United Kingdom which together would attempt to restore the credibility of a sport long know as the red light district of sports administration An excellent book it is a must read for all those studying sports law popular culture and the law and jurisprudence

The Regulation of Boxing Robert G. Rodriguez,2009-03-23 This first nationwide study of boxing regulations in the United States offers an historical overview of the subject from the earliest attempts at regulating the sport to present day legislation that may create a national boxing commission It examines the disparity of regulations among states as well as the reasons for some of these differences The work features interviews with boxing officials analysts and boxers and includes the results of a national survey of state athletic commission personnel In depth case studies of boxing regulations in Nevada and Kansas provide a close look at different states methods and Argentina s centralized system of regulation is presented as a comparison to the U S approach
