*The Book of Hrabal* Péter Esterházy, 1995 An elaborate elegant homage to the great Czech storyteller Bohumil Hrabal author of *Closely Watched Trains* *The Book of Hrabal* is also a farewell to the years of communism in Eastern Europe and a glowing paean to the mixed blessings of domestic life

**Why I Write?** Bohumil Hrabal, 2019-10-01 This collection of the earliest prose by one of literature's greatest stylists captures as scholar Arnault Mar chal put it the moment when Hrabal discovered the magic of writing Taken from the period when Bohumil Hrabal shifted his focus from poetry to prose these stories many written in school notebooks typed and read aloud to friends or published in samizdat often showcase raw experiments in style that would define his later works Others intriguingly utilize forms the author would never pursue again Featuring the first appearance of key figures from Hrabal's later writings such as his real life Uncle Pepin who would become a character in his later fiction and is credited here as a coauthor of one piece the book also contains stories that Hrabal would go on to cannibalize for some of his most famous novels All together *Why I Write* offers readers the chance to explore this liminal phase of Hrabal's writing Expertly interpreted by award winning Hrabal translator David Short this collection comprises some of the last remaining prose works by Hrabal to be translated into English A treasure trove for Hrabal devotees *Why I Write* allows us to see clearly why this great prose master was as described by Czech writer and publisher Josef Kvasil fundamentally a lyrical poet

**History of the Literary Cultures of East-Central Europe** Marcel Cornis-Pope, John Neubauer, 2007-07-18 The third volume in the *History of the Literary Cultures of East Central Europe* focuses on the making and remaking of those institutional structures that engender and regulate the creation distribution and reception of literature The focus here is not so much on shared institutions but rather on such region wide analogous institutional processes as the national awakening the modernist opening and the communist regimentation the canonization of texts and censorship of literature These processes which took place in all of the region's cultures were often asynchronous and subjected to different local conditions The volume's premise is that the national awakening and institutionalization of literature were symbiotically interrelated in East Central Europe Each national awakening involves a language renewal an introduction of the vernacular and its literature in schools and universities the creation of an infrastructure for the publication of books and journals clashes with censorship the founding of national academies libraries and theaters a re construction of national folklore and the writing of histories of the vernacular literature The four parts of this volume are titled 1 Publishing and Censorship 2 Theater as a Literary Institution 3 Forging Primal Pasts The Uses of Folk Poetry and 4 Literary Histories Itineraries of National Self images

The Little Town Where Time Stood Still Bohumil Hrabal, 2015-06-30 The Little Town Where Time Stood Still contains two linked narratives by the incomparable Bohumil Hrabal whom Milan Kundera has described as Czechoslovakia's greatest writer Cutting It Short is set before World War II in a small country town and it relates the scandalizing escapades of Mary ka the flamboyant wife of Francin who manages the local brewery Mary ka drinks She rides a bicycle letting her long hair fly She butchers pigs frolics in blood and leads on the local butcher She s a Madame Bovary without apologies driven to keep up with the new fast paced mechanized modern world that is obliterating whatever sleepy pieties are left over from the defunct Austro Hungarian Empire The Little Town Where Time Stood Still is told by Mary ka and Francin s son and concerns the exploits of his Uncle Pepin who holds his own against the occupying Nazis but succumbs to silence as the new post World War II Communist order cements its colorless control over daily life Together Hrabal s rousing and outrageous yarns stand as a hilarious and heartbreaking tribute to the always imperiled sweetness of lust love and life

*Transformative Fictions* Daniel Just, 2022-07-27 Transformative Fictions World Literature and Personal Change engages with current debates in world literature over the past twenty years addressing the nature of literary influence in centers and peripheries the formation of transnational literary and pedagogical canons and the role of translation and regionalism in how we relate to texts from around the globe The author Daniel Just argues for a supranational but sub global perspective of regions that emphasizes practical reasons for reading and focuses on the potential of literary texts to stimulate personal transformation in readers One of the recurring dilemmas in these debates is the issue of

delimitation of world literature The trouble with the world as a frame of reference is that no single researcher is bound to have the in depth knowledge and linguistic skills to discuss works from all countries In response this book revives literary theory and recasts it for the purposes of world literature by making a case for the continuing relevance of literature in the age of new media With the examples of fictional and nonfictional writings by Milan Kundera Witold Gombrowicz and Bohumil Hrabal Just shows that regional literatures offer differing methods of activating readers and thereby prompting personal change This book would be of general interest to anyone who wants to explore personal change through literature but is particularly indispensable for literary professionals researchers and postgraduate and graduate students Bohumil Hrabal. **Closely Watched Trains** Bohumil Hrabal, 1995 Hrabal's postwar classic about a young man's coming of age in German occupied Czechoslovakia is among his most beloved and accessible works Closely Watched Trains is the subtle and poetic portrait of Milos Hrma a timid young railroad apprentice who insulates himself with fantasy against a reality filled with cruelty and grief Day after day as he watches trains fly by he torments himself with the suspicion that he himself is being watched and with fears of impotency Hrma finally affirms his manhood and with a sense of peace and purpose he has never known before heroically confronts a trainload of Nazis

*The Oxford Guide to Contemporary Writing* John Sturrock, 1996 Keeping track of contemporary writing is by its nature difficult What are the recent developments in Chinese or Israeli fiction What has happened to poetry in Russia since the fall of Communism Are we even up to date with the best novels or plays of English speaking countries round the world Every year so much is published which we feel we should know about that there's a strong need for a volume to evaluate it and put us on the track of what is most worth reading This new Guide the only work of its kind to cover world literature of the last thirty years does just that in twenty eight lively and trenchant chapters it assesses the most important and interesting literary developments in all five continents Taking 1960 as its starting point and coming right up to date the book explores the recent writing of cultures as various as Australian and Spanish American French Japanese and Czech Indian and New Zealand and of course American English Irish Scottish and Welsh Each chapter discusses the literary and cultural contexts for authorship in its particular area throwing light on a great number of significant writers including household names such as Mishima Toni Morrison Derek Walcott Patrick White and Günter Grass but setting alongside them many others who may be less familiar but whose work is often just as well worth reading Combining hard information with intelligent opinion the Guide offers a discriminating and sometimes controversial view of a broad range of contemporary literatures Anyone interested in the state of world literature today will find the Oxford Guide to Contemporary Writing a fascinating and essential reference book
