The Partisan:

The Partisan Counter-Archive Gal Kirn, 2020-07-20 Mere decades after the dissolution of Yugoslavia the promise of European democracy seems to be out of joint What has become of the once shared memory of victory over fascism Historical revisionism and nationalist propaganda in the post Yugoslav context have tried to eradicate the legacy of partisan and socialist struggles while Yugonostalgia commodifies the partisan socialist past It is against these dominant archives that this book launches the partisan counter archive highlighting the symbolic power of artistic works that echo and envision partisan legacy and rupture It comprises a body of works that emerged either during the people s liberation struggle or in later socialist periods tracing a counter archival surplus and revolutionary remainder that invents alternative protocols of remembrance and commemoration The book covers rich counter archival material from partisan poems graphic works and photography to monuments and films and ends by describing the recent revisionist undoing of the partisan past It contributes to the Yugoslav politico aesthetic history of the oppressed as an alternative journey to the partisan past that retrieves revolutionary resources from the past for the present

Hitler's War Against the Partisans During the Kursk Offensive Antonio J Muñoz, 2025-11-25 By the summer of 1943 the Soviet partisan forces had grown from small disorganized groups into a formidable fighting force Hitler still holding some advantages hoped to crush a Red Army salient near Kursk and shorten the front lines with a localized offensive However the Soviets anticipated the attack and built extensive defense lines to thwart it employing large numbers of partisans to disrupt German preparations The critical period of 1943 saw intense fighting behind German lines particularly during the Battle for the Rails in July and August Stalin s partisans worked relentlessly to block the flow of German supplies and troops forcing the Germans to contend with a growing insurgency Dr Antonio J Muñoz s book examines these guerrilla operations using German maps to detail partisan movements and the German response which included increasing anti partisan operations The year 1943 marked a turning point in the war on the Eastern Front While Stalingrad in 1942 revealed Germany s inability to win in Russia the failed Battle of Kursk in 1943 demonstrated the inevitable loss of the war The partisan efforts were so successful that by August 1943 only 80% of the trains carrying supplies reached Army Group Centre s front lines
