## **The Cathedral:**

**Romancing the Cathedral** Elizabeth Emery, 2001-09-20 Through an analysis of political art historical and literary discourse this book considers French fascination with the Gothic cathedral The Desecularisation of the City David Goodhew, Anthony-Paul Cooper, 2018-09-21 Major cities have long been seen as centres of secularisation However the number of congregations in London grew by 50% between 1979 and the present London s churches have been characterised more by growth than by decline in the decades since 1980 The Desecularisation of the City provides the first academic survey of churches in London over recent decades linking them to similar developments in other major cities across the West Produced by a large team of scholars from a range of disciplines this volume offers a striking and original portrait of congregational life in London since 1980 Seventeen chapters explore the diverse localities ethnicities and denominations that make up the church in contemporary London The vitality of London s churches in the last four decades shows that secularisation is far from inevitable in the cities of the future This study necessitates a significant reassessment of the dominant academic portrayal of Christianity in Britain and the West which has mostly depicted cities as secular spaces within a secularising culture It will be of great interest to scholars working across a wide range of disciplines including history sociology religious studies and theology *The Annual Register, Or, A View of the History and Politics of the Year ...* ,1855 *General Report to the King in Council from the Honourable Board of Commissioners on the Public Records* Great Britain.
