Classic and Original Chinese Cookbook Molly Mills,2019-05-13 When someone comments that Chinese cuisine is mostly based on noodles and rice they are wrong The varieties in Chinese cooking don't have an end There are so many different dishes that you won't be able to try them in one month What you can do in one month is to try the best classic Chinese recipes I guarantee you you will fall in love with Chinese dishes for the second time As a Chinese food lover I can't get enough on any variety of recipes and not only the simpler and classical But the best part to start your Chinese cooking journey is learning them first After that you can continue to explore more and more or even make your own variations With this book you will become an expert because each recipe has a simple step by step guide that will help even beginners It is designed in such a manner that it will keep you more focused on the beauty of the ingredients and not the time you are spending in the kitchen Start your journey now 25 Recipes with simplified instructions Only high quality ingredients Delicious and unforgettable recipes

The Chinese Cook Book Shiu Wong Chan,2015-06-15 Excerpt from The Chinese Cook Book Some one once said that without a good cook and good cooking life was not worth living The author's purpose is to make good cooking possible All these recipes have been tested and are therefore reliable A person who has

tasted Chinese food realizes that it is the most palatable and delicious cooking he ever ate It is not only that but its nutritious value recommends it to all It is true in a sense that we eat to live If the body does not have nutritious and pleasant food no full growth and development is possible hence power is weakened Leave the decision as to Chinese cooking to your own taste When you have eaten the food you will soon be convinced not only of its merits but in fact of its superiority over other kinds of food and ways of cooking About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
