The Get Well Soon:

Get Well Soon Nick Duerden, 2018-02-08 If you were diagnosed with a condition for which there was no known cure what would you do Nick Duerden is a writer and journalist This is his memoir about a long period of ill health and how he was forced to plunge like it or not into the often bewildering but increasingly blossoming world of alternative therapy in pursuit of a cure He followed strictly regimented vitamin rich diets and swallowed all manner of supplements He smeared himself in coarse mineral salts and grew tepid in Epsom salt baths He visited energy practitioners and spiritual gurus He learned yoga how to meditate to breathe properly to face his fears and manage the new anxieties those very fears had done so well to engender Over the course of three years Nick's lifelong cynicism is gradually replaced by an open eagerness to try anything if not quite everything and in doing so he starts on the road back to health *Get Well Soon* is a memoir that focuses on the journey all of us will at some point have to face the abrupt obligation to start living better wiser healthier to be kinder to our minds and bodies by realising that minds and bodies do require care It's about what happens to life when you become ill because everyday life is never going to stop going about its chaotic business This is not a self help book But it is in its own candid unflinching and stumbling way a mapless guide to belatedly learning to live well to negotiating a very particular and all too common midlife crisis It is honest and funny and ultimately optimistic And it might just offer proof that self discovery even when it is enforced self discovery is no bad thing
