

THE GNOSTIC JUNG

*Including
"Seven Sermons
to the Dead"*

Selected and introduced by **ROBERT A. SEGAL**

The Gnostic Jung

Stuart Douglas

The Gnostic Jung:

The Gnostic Jung and the Seven Sermons to the Dead Stephan A Hoeller,2012-12-13 Jungian psychology based on a little known treatise he authored in his earlier years *The Gnostic Jung* Carl Gustav Jung,1992 Gnosticism together with alchemy was for C G Jung the chief prefiguration of his analytical psychology Jung did not simply interpret Gnostic texts psychologically but also cited them as confirmation of his psychology An authority on theories of myth and Gnosticism Robert Segal has searched the Jungian corpus to bring together in one volume Jung s main discussions of this ancient form of spirituality Included in this volume are both Jung s sole work devoted entirely to Gnosticism Gnostic Symbols of the Self and his own Gnostic myth Seven Sermons to the Dead The book also contains key essays by two of the best known writers on Jungian psychology and Gnosticism Father Victor White and Gilles Quispel whose C G Jung und die Gnosis is here translated for the first time In his extensive introduction Segal discusses Jung s fascination with Gnosticism the parallel for Jung between ancient Gnostics and modern Jungian patients the Jungian meaning of Gnostic myths and of the Seven Sermons Jung s possible misinterpretation of Gnosticism and the common characterization of Jung himself as a contemporary Gnostic

The Gnostic Jung C.G. Jung,2013-11-19 Gnosticism was for C G jung the chief prefiguration of his analytical psychology In this volume Robert Segal an authority on theories of myth and Gnosticism has searched the Jungian corpus for Jung s main discussions of this ancient form of spirituality The progression in Gnosticism from sheer bodily existence to the release of the immaterial spark imprisoned in the body and the reunion of that spark with the godhead represents for Jung the psychological progression from ego consciousness to the ego s rediscovery of the unconscious and the ego s integration with the unconscious to forge the self Included in this volume are both Jung s sole work devoted entirely to Gnosticism Gnostic Symbols of the Self and his own Gnostic myth Seven Sermons to the Dead The book also contains key essays by Father Victor White and Gilles Quispel whose C G Jung und die Gnosis is here translated for the first time In his extensive introduction Segal discusses the parallel for Jung between ancient Gnostic and contemporary Jungian patients the Jungian meaning of Gnostic myths and of the Seven Sermons Jung s possible misinterpretation of Gnosticism and the common characterization of Jung himself as a Gnostic

The Gnostic Jung and the Seven Sermons to the Dead Stephan A. Hoeller,2002 The Seven Sermons is a modern age gnostic text that Carl Jung believed was dedicated to him [The Gnostic Jung and the Seven Sermons to the Dead](#) Stephan A. Hoeller,1989 **Jung and the Lost Gospels** Stephan A. Hoeller,1989-10-01 The Lost Gospels refer to the Dead Sea Scrolls and the Nag Hammadi Library both discovered in the 1940s The Nag Hammadi Library consists of writings found by two peasants who unearthed clay jars in 1945 in upper Egypt These did not appear in English for 32 years because the right to publish was contended by scholars politicians and antique dealers The Dead Sea Scrolls discovered in clay jars in Palestine by a goatherder in 1947 weathered similar storms The first team of analysts were mostly Christian clergy who weren t anxious to share material that frightened church leaders As Dr Hoeller shows they rightly

feared the documents would reveal information that might detract from unique claims of Christianity Indeed the Dead Sea Scrolls and Nag Hammadi Library both contradict and complement accepted tenets of the Old and New Testaments

Gnosticism Stephan A Hoeller,2012-12-13 Gnosticism developed alongside Judeo Christianity over two thousand years ago but with an important difference It emphasizes not faith but direct perception of God Gnosticism being derived from the Greek word gnosis meaning knowledge Given the controversial premise that one can know God directly the history of Gnosticism is an unfolding drama of passion political intrigue martyrdom and mystery Dr Hoeller traces this fascinating story throughout time and shows how Gnosticism has inspired such great thinkers as Voltaire Blake Yeats Hesse Melville and Jung

The Modern Revival of Gnosticism and Thomas Mann's Doktor Faustus Kirsten J. Grimstad,2002 This study explores the reappearance of Gnostic themes across the landscape of European literature and thought and in major works by Thomas Mann

The Astrological World of Jung's 'Liber Novus' Liz Greene,2018-02-21 C G Jung s The Red Book Liber Novus published posthumously in 2009 explores Jung s own journey from an inner state of alienation and depression to the restoration of his soul as well as offering a prophetic narrative of the collective human psyche as it journeys from unconsciousness to a greater awareness of its own inner dichotomy of good and evil Jung utilised astrological symbols throughout to help him comprehend the personal as well as universal meanings of his visions In The Astrological World of Jung s Liber Novus Liz Greene explores the planetary journey Jung portrayed in this remarkable work and investigates the ways in which he used astrological images and themes as an interpretive lens to help him understand the nature of his visions and the deeper psychological meaning behind them Greene s analysis includes a number of mythic and archetypal elements including the stories of Salome Siegfried and Elijah and demonstrates that astrology as Jung understood and worked with it is unquestionably one of the most important foundation stones of analytical psychology and an essential part of understanding his legacy This unique study will appeal to analytical psychologists and Jungian psychotherapists students and academics of Jungian and post Jungian theory the history of psychology archetypal thought mythology and folklore the history of New Age movements esotericism and psychological astrology

Jung's Answer to Job Paul Bishop,2014-12-18 Greeted with controversy on its publication Answer to Job has long been neglected by many serious commentators on Jung This book offers an intellectual and cultural context for C G Jung s 1952 publication In Jung s Answer to Job A Commentary the author argues that such neglect is due to a failure to understand Jung s objectives in this text and offers a new way of reading the work The book places Answer to Job in the context of biblical commentary and then examines the circumstances surrounding its compositions and immediate reception A detailed commentary on the work discusses the major methodological presuppositions informing it and explains how key Jungian concepts operate in the text Jung s Answer to Job A Commentary unravels Jung s narrative by reading it in the chronological order of the biblical events it analyses and the book to which it refers offering a comprehensive re reading of Jung s text An original argument put across in a scholarly and

accessible style provides an essential framework for understanding the work Whilst taking account of the tenets of analytical psychology this commentary underlines Answer to Job s more general significance in terms of cultural history It will be invaluable to students and scholars of analytical psychology the history of ideas intercultural studies comparative literature religion and religious studies

Gnosticism and the History of Religions David G. Robertson,2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis Gnostic and Gnosticism were taken up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation

The Apocalypse of the Reluctant Gnostics Stuart Douglas,2018-04-19 This book presents a comparison of the Gnostic worldviews of Carl G Jung and science fiction author Philip K Dick two figures who have done far more than most to revive an interest in the Gnostic tradition in the modern world Despite profoundly different approaches one was a depth psychologist whose unique insights and approach to psychology forced him to explore the depths of the unconscious in a way that inevitably led him to touch frequently on metaphysical or spiritual matters the other was an author of science fiction there are some striking parallels between their unique Gnostic visions With the relatively recent publication of both Jung s and Dick s personal journals *The Red Book* 2009 and *The Exegesis of Philip K Dick* 2011 respectively in which they articulate their Gnostic visions it seems timely to make this comparison

Invoking the Beyond: Paul D. Collins,Phillip D. Collins,2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state

operatives who share some variant of a technocratic vision for the world. In turn, these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man. Their hegemony has been legitimized through the invocation of a wrathful earth goddess, a technological Singularity, a superweapon, and extraterrestrial gods. All of these are merely masks for the same counterfeit divinity: the Beyond.

The Knowledge That Leads to Wholeness Robert Lloyd, 2007-03-26

The Knowledge that Leads to Wholeness is the first book to specifically illustrate how the major Gnostic myths underlie Jung's theory of individuation. It is a compelling and in-depth examination of a life-changing journey that begins with the author discovering the forgotten secrets of the Gnostics. These secrets are gradually unveiled as the author and his loyal dog, Gold, are initiated, each in their own way, to put the ancient knowledge into practice. Dr. Lloyd explores the esoteric side of Carl Jung and reveals the connections between Jung's pivotal theory of individuation, i.e., the journey to wholeness, and the powerful visionary myths told by the pioneers of the psyche, the Gnostics. He details what happens to a person who is on the road to wholeness, how the person will change, and how a new divine human identity will be born into the world as a result of undertaking this transformational odyssey.

KIRKUS DISCOVERIES Review: Did Carl Jung's principles of psychology have Gnostic origins? A Marine Corps Ph.D. explores the complex mystical possibilities. Lloyd splits his expansive hypothesis of the soul's journey into three vital steps: preparation, undertaking, and re-birth in discovering Jung's path to wholeness. He credits Jung with saving his life by way of unlocking his imagination, the soul's voice, and spiritual mindset. The author familiarizes readers with the Gnostic religious movement, practitioners of an intensely spiritual inner exploration who believed that humans are not bound to experiences solely of the body and mind. His literary gift to Jung is these comparative ruminations, all exuding a great amount of imagination and provocative thought. Running parallel to the author's spiritually progressive interests is his adventuresome interaction with an imaginal dog named Gold, who discovers two seeds of knowledge. The first rediscovers the spark of divine life whereby humans are one and the same with God, and the second amplifies Jung's individuation theory that the human ego must relate to the unconscious mind to achieve psychological health. Unerringly throughout his narrative, Lloyd grafts Gnostic myths with Jungian wisdom. He focuses on the psychic creator and king of the material world, Demiurge, in association with second-century Gnostic visionary Valentinus, whose tragic myth of Sophia tells of a restless female deity who travels outside of herself searching for wholeness rather than looking inward, and her ultimate repentance. Comparatively, Jung also writes of humans who restrict themselves to their five senses rather than tapping into the core strength of their imaginative visions where uncanny experiences might spring forth. As Lloyd and Gold survey principles of higher consciousness, the self, the transformative life cycle process, and the concluding Syrian lyrical myth, Song of the Pearl, as they are juxtaposed against Jung's theories, the author also cites Gnostic challenges to contemporary religious beliefs, as in the reimagined genesis of Jesus of Nazareth. Most interestingly, Lloyd inserts Jung into his narrative to quiz his arbiters as to whether they have the

desire to discover the mystery of their existence Unfiltered hokum for some but those who are open to it will find much needed nourishment and direction for their searching souls Nielsen Business Media 770 Broadway New York NY 10003 646 654 7277 fax 646 654 4706 discoveries kirkusreviews com Visit www robertcharleslloyd com *Cracking the Gnostic Code* Walter Wink,1993 *Jung on Mythology* C. G. Jung,1998-08-16 Theories of myth differ based on perceptions of its origin and function This volume collects and organizes key passages on myth by Jung and by some of the most prominent Jungian writers after him The book synthesizes the discovery of myth as a therapeutic tool to explore the unconscious The Gnostic Philosophy Tobias Churton,2003 Jung's Challenge to Contemporary Religion Murray Stein,Robert L. Moore,1987 Highlights of this book include studies of the way in which Christianity is changing the feminine dimension of God and Jung s contribution to biblical humanities Volume includes Murray Stein Jung s Green Christ A Healing Symbol for Christianity Carrin Dunne Between Two Thieves A Response to Jung s Critique of the Christian Notions of Good and Evil David L Miller Attack Upon Christendom The Anti Christianity of Depth Psychology Nathan Schwartz Salant Patriarchy in Transformation Judaic Christian and Clinical Perspectives June Singer Jung s Gnosticism and Contemporary Gnosis Joan Chamberlain Engelsman Beyond the Anima The Female Self in the Image of God Wayne G Rollins Jung s Challenge to Biblical Hermeneutics William Dols The Church as Crucible for Transformation Robert L Moore Ritual Process Initiation and Contemporary Religion Julia Jewett Womansoul A Feminine Corrective to Christian Imagery David Dalrymple Images of Immortality Jung and the Archetype of Death and Rebirth VOLUME EDITORS Murray Stein Ph D is a supervising training analyst and former president of The International School of Analytical Psychology in Zurich Switzerland ISAP Zurich His most recent books include Outside Inside and All Around Minding the Self and The Principle of Individuation From 2001 to 2004 he was president of the International Association for Analytical Psychology He lectures internationally on topics related to Analytical Psychology and its applications in the contemporary world He is publisher emeritus of Chiron Publications and is the focus of many Asheville Jung Center online seminars Robert Moore Phd was an internationally recognized psychotherapist and consultant in private practice in Chicago He was considered one of the leading therapists specializing in psychotherapy with men because of his discovery of the Archetypal Dynamics of the Masculine Self King Warrior Magician Lover He served as Distinguished Service Professor of Psychology Psychoanalysis and Spirituality at the Graduate Center of the Chicago Theological Seminary and has served as a Training Analyst at the C G Jung Institute of Chicago He is Co founder of the Chicago Center for Integrative Psychotherapy **The Search for Roots: C. G. Jung and the Tradition of Gnosis** Alfred Ribí,2013-07-31 The publication in 2009 of C G Jung s *The Red Book Liber Novus* has initiated a broad reassessment of Jung s place in cultural history Among many revelations the visionary events recorded in the Red Book reveal the foundation of Jung s complex association with the Western tradition of Gnosis In *The Search for Roots* Alfred Ribí closely examines Jung s life long association with Gnostic tradition Dr Ribí knows C G Jung and his tradition from the ground up He began his

analytical training with Marie Louise von Franz in 1963 and continued working closely with Dr von Franz for the next 30 years For over four decades he has been an analyst lecturer and examiner of the C G Jung Institute in Zurich where he also served as the Director of Studies But even more importantly early in his studies Dr Ribic noted Jung s underlying roots in Gnostic tradition and he carefully followed those roots to their source Alfred Ribic is unique in the Jungian analytical community for the careful scholarship and intellectual rigor he has brought to the study Gnosticism In *The Search for Roots* Ribic shows how a dialogue between Jungian and Gnostic studies can open new perspectives on the experiential nature of Gnosis both ancient and modern Creative engagement with Gnostic tradition broadens the imaginative scope of modern depth psychology and adds an essential context for understanding the voice of the soul emerging in our modern age A Foreword by Lance Owens supplements this volume with a discussion of Jung s encounter with Gnostic tradition while composing his *Red Book Liber Novus* Dr Owens delivers a fascinating and historically well documented account of how Gnostic mythology entered into Jung s personal mythology in the *Red Book* Gnostic mythology thereafter became for Jung a prototypical image of his individuation Owens offers this conclusion In 1916 Jung had seemingly found the root of his myth and it was the myth of Gnosis I see no evidence that this ever changed Over the next forty years he would proceed to construct an interpretive reading of the Gnostic tradition s occult course across the Christian aeon in Hermeticism alchemy Kabbalah and Christian mysticism In this vast hermeneutic enterprise Jung was building a bridge across time leading back to the foundation stone of classical Gnosticism The bridge that led forward toward a new and coming aeon was footed on the stone rejected by the builders two thousand years ago Alfred Ribic s examination of Jung s relationship with Gnostic tradition comes at an important time Initially authored prior to the publication of Jung s *Red Book* current release of this English edition offers a bridge between the past and the forthcoming understanding of Jung s Gnostic roots **White Bird, Black Serpent, Red Book** Stuart Douglas, 2018-04-17 This book is principally about what is commonly referred to as Gnosticism and its influence on Jung s analytical psychology It is intended for anyone who are interested in Jungian studies and or Gnosticism both the scholar and the general enthusiast and transpersonal psychology community

Immerse yourself in heartwarming tales of love and emotion with its touching creation, **The Gnostic Jung** . This emotionally charged ebook, available for download in a PDF format (PDF Size: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
