grow into life changing outcomes What does it really mean to choose if every brain follows physical laws Where does meaning come from in a universe without built in purpose This book does not rely on myths spiritual shortcuts or comforting stories It is grounded in modern science and explains difficult ideas with clarity and honesty without talking down to the reader Written for teen readers this edition keeps the ideas deep while making them accessible inviting you to see reality responsibility and yourself in a new and more connected way as part of the long story of how matter became aware of itself
