The Perfect Business:

Own the Perfect Business David Letourneau, 2019-04-30 For today's entrepreneur and the entrepreneur curious business has changed in a lot of ways in just the last few years. But there's not a better time to be an entrepreneur. This book cracks the code and shares the secrets of how to build the perfect business. David Letourneau has more than 4 decades of business experience. He has started up more than 20 new businesses in several different industries so can speak with authority about the issues that an entrepreneur faces on a daily basis. *The Perfect Business* Michael Leboeuf, 1997-08-07 Covers such topics as choosing the right business, marketing oneself and using information technology. [The Perfect Business Plan Made Simple](#) William Lasher, Ph.D., 2010-04-21 Successfully start your own profitable business. Starting your own business is an American Dream. But raising money requires a polished business plan that sells financial backers on your idea. *The Perfect Business Plan Made Simple* approaches the business plan as a sales document that will persuade bankers and venture capitalists to invest in your new or growing enterprise. Featuring examples and detailed sample plans, this updated edition addresses legal concerns and special issues unique to internet-based businesses. Detailed writing instructions, overviews of the funding process and explanations of why certain arguments are crucial make this guide invaluable to both novices and experienced entrepreneurs. Important topics include your business's mission and strategy, the written plan and the role of presentations, the target audience, principle making, financial projections, how to make and present a marketing plan, special considerations for service businesses, contingencies, what you'll do if things go wrong, legal and ownership issues, dot-com businesses, a self-test to see if you're cut out to be an entrepreneur.
