**Maestro. Jean Baudrillard. The Last Prophet of Europe** Dr. Oleg Maltsev, Jean Baudrillard is characterized as the Last Prophet of Europe not just because he was a prominent thinker French philosopher and author of more than 50 works and essays that examine modern consumer society in depth Events and phenomena described by Baudrillard in his works 20-30 years ago are taking place today By means of his writings he described his view of the world and explained why people and society are the way they are He encrypted in his works a system that allows for making accurate prognosis There was no book until this that could have demonstrated the integral system of Baudrillard's philosophy Baudrillard did not share it with anybody and did not describe it explicitly as a whole Figuratively speaking he deconstructed his system into bricks his

writings then built a building out of them numbered each brick and dismantled the building and burned the schemes In the book Baudrillard Maestro The Last Prophet of Europe Oleg Maltsev thoroughly analyzes each brick and constructs Baudrillard s system presenting to readers for the first time a complete model the tools used by Baudrillard and his philosophy Throughout the 16 chapters of this book the author looks into all kinds of subjects raised by Baudrillard with practical examples among which the masses the kingdom of the blind the silent majority perfect crime European mysticism the symbolic system and many other phenomena are examined from the viewpoint of the scholar The author also shares his research results based on the philosophy and sociology of Baudrillard Dr Maltsev then examines Jean Baudrillard s works some of which had been translated into Russian for the first time his photographic pieces and interviews people who personally knew Baudrillard his critics and fellow researchers This work is a practical book for modern people who want to have an objective view of the current state of affairs and take responsibility for their present and future It provides an idea for the use of the philosophy sociology and radical anthropology of Baudrillard as the foundation of personal achievement efficiency and safety in such unstable and uncertain conditions of a constantly changing environment

**Clarence Darrow's Plea in Defense of Loeb and Leopold** Clarence Darrow,1926 **Records and Briefs New York State Appellate Division** , **Not Simply Bad** B. W. Van Riper,2014-02 You don t know bad until you know JB And you won t begin to understand JB until you consider the genre He was and they are anomalies and anachronisms warped types out of dark times JB and guys like him are ghoulish in their perversion They re flagrant in their violence cabalistic in their psychopathic nature and dangerous in their psychological indifference OK it s fiction but there s a lot of truth to it So it s the truth it s just not the whole truth So is this a tale or a study Is it opinion or research And will any of those questions matter when considering the elements and essence of the issues Maybe We may know something about what contributes to virulent antisocial behavior but we don t know enough about it to forestall it Maybe we will Maybe not

But what do we do about it in the meantime That s the burning question Because they re perverse we might justly call them miscreants or brutes or degenerates Those terms are almost euphemistic though when applied to the diabolic guys referred to here They re not just barbaric they re deadly So they re not just real bad The designation for these guys is one we reserve for the worst kind of criminal there is a somebody not simply bad but sinister These are guys who commit uncommonly vile acts some too gross to describe And sadistic is too good a word to characterize the worst of their crimes iniquitous too mild obscene too vague That s your b te noire vulgar vicious villainous and virulent in the end to the end an end noxious toxic lethal You can t feel sorry for this guy or his genre But they like it when you do Your mercy on top of their madness makes their day They glory in the novelty and incomprehensibility of it Because they see the beautiful irony in it After your review of this abstract Maybe you ll think I ve been too harsh Maybe you ll think I ve been too blunt Maybe you ll think I ve been too vindictive Maybe you ll think I ve got issues Maybe this maybe that And maybe you ll just be thinking about reading this harrying treatise If so Get ready for the ride It ll be bumpy So hang on
