

OFFICIAL MEMO

TO ALL EMPLOYEES
FROM Daniel Gallego

RE Urgent Meeting

Memos are documents for communicating with people within businesses and offices. They often contain short messages and announcements, formatted according to a certain style that the company has determined. If you're writing your own, it's best to remember the purpose of your memo. Like letters, there are plenty of reasons behind writing a memo.

They can be used to deliver information, make a request, respond to questions, propose solutions to problems, or present brief reports. Memos often begin with a set number of text fields to identify the recipient's and sender's names, the date, and the subject.
