What Is The Thing Called Preaching:

What Is This Thing Called Preaching Leonidas A. Johnson,1999-06-01 What is this thing called preaching anyway Why is it that millions of people around the world flock to hear preachers preach Why is it that from generation to generation men and women have sought the preached Word Why The two volume book set of sermons is no exception The sermons documented in these books speak to men and women of all ages with timeless relevance In Volume One Rev Dr Leonidas Johnson a third generation preacher documents 12 authentic sermons by his father Rev Leon Johnson Witness the passing of the baton as Deacon Dr Leonidas Johnson describes his call to the ministry while working on this project and the challenges involved in converting dynamic dramatic sermons into literary form Volume Two contains 14 more power packed sermons from this great man of God Such a treasure of wisdom is a rare find Praise be to God for the discovery and documentation of these heavenly messages If you read these books you will Hear a message from God directed to you Gain some understanding of traditional African American preaching Understand the difficulty of writing sermons meant to be preached This Thing Called Love Angela R. Camon,2014-02-28 One of the most influential people in a girls life is her father Imagine growing up as a little child with an empty void in your heart longing for the love and acceptance of your father It is unfortunate but many daughters young and old alike can identify with the pain of not having a father present in their lives The absence of fathers in the lives of their daughters has become an epidemic that has plagued our society and affects many families from all walks of life Daughters that grow up with a healthy father and daughter bond are often less likely to become a teenage mother experience depression experiment with drugs and alcohol develop body image problems and engage in criminal activity Whereas daughters who do not have father in their lives can experience a plethora of problems This Thing Called Love is about a young girl who shares her story about her life and the various hardships that she experienced as a result of living with a father who is physically present but emotionally absent Bewildered by his rude comments and his continuous expressions of his disapproval of her she makes conscious efforts to shine in his eyes In the pursuit of trying to achieve her fathers love she learns a great deal about Gods love As her relationship with God matures her newfound faith ignites her determination to win her father over not just for her personal gain but for the benefit of the Kingdom of God **What Is This Thing Called Preaching?** Leonidas A. Johnson,1999-11-01 Preaching Women Liz Shercliff,2019-10-30 Should women who preach preach as women Preaching Women argues that far from being a gender neutral space the pulpit is a critical place in which a gender imbalance can begin to be redressed There is a vital need for women preachers to speak out of their experience of living as women in today s culture and church Filling a glaring gap in the literature around homiletics Filling a glaring gap in the literature around homiletics Preaching Women considers reasons why women preachers should preach from their experiences as women what women bring to preaching that is missing without us and how women preachers can go about the task of biblical preaching With a foreword by Libby Lane **The Complete Sermons of C. H.**

Spurgeon, Book 1 (Vol. 1-3) C. H. Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon's life is nothing less than titanic. Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19, the Sunday service grew from 242 to over 7,000 in attendance. What can account for the meteoric rise in popularity? Why did so many wish to hear his sermons? It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism: he preached the bread of Jesus Christ. Containing the first three volumes of the sixty-three volumes published from the Metropolitan Tabernacle pulpit, this book holds 164 sermons as plump as a partridge and as full of meat as an egg. David A. Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville, Kentucky.

Justification Is for Preaching Virgil Thompson, 2012-02-09 Although preachers often question their effectiveness, no task of the church is more important than proclamation. Only the gospel liberates sinners from guilt, despair, and death and grants them freedom, hope, and new life. Few have grasped this truth better than Martin Luther. This volume features contributions by contemporary theologians whose work is shaped by Luther's conviction that God's justification of the ungodly comes through preaching. Gerhard Forde, Oswald Bayer, and their students and friends, taken from the pages of *Lutheran Quarterly*, these essays in historical and theological perspective bring the doctrine of justification to bear on contemporary preaching. For Luther, the whole creation has its life out of God's pure, fatherly, divine goodness and mercy, without any merit or worthiness of ours at all. Luther's insight to center creation around God's justifying work accents the cosmic scope of the doctrine. Justification is at the core of God's creative and saving activity with respect to all that has been, is, and will be. God's justification of the ungodly is the heart of all Christian theology and mission and inescapably shapes the character of both. Preaching Christ as the justifier of sinners, in contrast to the accusing directives of the law, does nothing other than establish God's deity over and for the world and brings an end to sinners' own self-deifying quests, re-creating them as fully human, fully free. Theologians and preachers gain their compass, purpose, and courage from this truth.
