What Lies Within:

The Fairway of Life Rand S. Marquardt, 2009-05-13 Fear of any kind is the number one enemy of all golfers regardless of ball striking and shot making capabilities Jack Nicklaus Golf is supposed to be fun But many people who play dont see it that way Many golfers after having spent countless dollars and hours on the sport find them selves having too many negative thoughts limited beliefs and other foolish self sabotaging behaviors Is there any hope to this kind of madness I get so nervous and scared I end up choking and throwing up all over myself I cant seem to control my demons I get angry and often beat myself up Sometimes I cant even hit the broadside of a barn I never seem to get any better Let renowned mental golf coach Rand Marquardt show you how he went from a frustrated misaligned ten handicap golfer to a more confident connected one handicap golfer in just one summer and how you can do it too Dont spend another day being angry afraid or frustrated again Instead learn to play golf more often in The Zone and how to harness and expand your inner wisdom by going with the flow along THE FAIRWAY OF LIFE
