

10 HALLMARKS OF THE CATHOLIC CHURCH

BIBLE

The Church has always venerated the full canon (73 books) of God's written Word which she preserved, compiled, translated, published, interpreted, & defended. The Bible formed in the Church's womb.

EUCHARIST

The real Body, Blood, Soul, & Divinity of Christ is the "source & summit" of Christian life – an extension of the Incarnation & the most intimate way to encounter, adore, & receive the Savior in this life (Jn. 6:54-56).

MASS

Jesus perpetuates His Eternal Sacrifice through His Passover meal as the perfect offering to our Father in praise & thanksgiving for man's redemption through His death & resurrection.

SACRAMENTS

Jesus instituted seven sacred signs of the New Covenant to extend His visible ministry & personally communicate saving grace to every soul in all times & places. Sacraments grant us a share in the divine life of the Trinity & raise creation to new holiness.

APOSTOLIC TRADITION

Jesus revealed the love of the Trinity through His words and deeds as did His chosen eyewitnesses for many decades. The early Fathers attest to the believing & praying Church evangelizing & handing on consistent proclamation of the Faith through unbroken succession of the bishops, which endures to this day.

SAINTS

Jesus is our brother which makes Mary, the new Eve & Queen of the new Israel, loving mother to us all. She and all of the saints are family who continue interceding to God for the kingdom on Earth. Death has not severed them from Christ's Body for they are fully alive in Christ (Lk. 20:37-38).

SEASONS & FEASTS

The seasons & feasts of the Church's year, such as Christmas & Easter, consecrate time & space and happily draw us into the mysteries of Christ's life made present in the liturgy. They provide a time of gathering, celebration, & visible witness to the gospel.

PRAYER & DEVOTION

Drawing from salvation history, the Church is a limitless reservoir of contrition, thanksgiving, sacramentals, blessings, petitions, praises, & adoration. Through the daily Liturgy of the Hours, Mass, & various rites, she never ceases to faithfully intercede for the world & the departed out of charity for God & neighbor.

WORKS OF MERCY

The Church has a long, splendid history of fostering education, science, arts, & culture to serve intellectual & spiritual needs. Most importantly, she's an ambassador of God's justice & mercy, reaching out to sinners & advocating for the poor, sick, & defenseless. Defending the dignity of man made in God's image is the first principle in her mission to protect life & the common good.

PAPACY

Jesus Himself founded the one, holy, Catholic, & apostolic Mother Church upon the apostles (Eph. 2:20), in particular St. Peter (Mt. 16:18-19) whose successor, the bishop of Rome, is the chief "servant of the servants of God" (Lk. 22:27-28). The pope's fatherly authority is a gift that provides unity for the diverse People of God from East to West.

What Makes Us Catholic:

What Makes Us Catholic Thomas H. Groome, 2009-10-13 A celebration of what is beautiful and lasting in the Catholic tradition a kiss of peace to all Catholics whether liberal conservative or confused Michael Leach co editor of *I Like Being Catholic* What makes a Catholic a Catholic According to Thomas Groome a professor in theology and religious education at Boston College Catholics share certain vital features of life and identity What Makes Us Catholic explains and illuminates that character and invites Catholics of all kinds to connect more deeply and imaginatively with their own culture and spirituality Eloquently contends that all Catholics be they faithful adherents or lapsed members share eight distinctive qualities To each Groome dedicates a skillfully written chapter which opens with an anecdote from his own experience that concretizes its theological subject Readers will find themselves pausing and engaging in the text with questions for reflection and conversation Groome keeps complex religious jargon to a minimum allowing his simple stories to resonate in the heart Library Journal Grounded in the actual experiences of people this book portrays Catholicism as a rich multi faceted reality that cannot be contained by any single doctrine or institutional element Richard P McBrien author of *Lives of the Saints*

elegant in design assiduous in execution and compelling in presentation Mooney's immigrants bring a deep piety with them across the ocean but the different contexts of reception they encounter in Miami Montreal and Paris significantly influence their differential adaptation to their new homes in the U S Canada and France Faith Makes Us Live is an essential contribution to the growing body of literature on religion and immigration R Stephen Warner University of Illinois at Chicago Faith Makes Us Live is one of those rare books that succeeds in making a valuable contribution on at least three fronts it extends the literature on religion and immigration by showing how religious organizations serve as mediating structures between immigrants and their host communities it demonstrates to scholars interested in faith based service organizations that the larger relationships between church and state must be considered carefully through a comparative framework and it provides students of religion with a compelling up close and personal account of how faith matters in the daily lives of Haitian immigrants Robert Wuthnow Princeton University What excites me most about Faith Makes Us Live is that it analyzes the role played by the Catholic Church in immigrant incorporation while taking into consideration the distinctive challenges met by Haitians in three societies that treat the poor immigrants and people of color quite differently The comparison between Miami Paris and Montreal is particularly felicitous given differences in the position and influence of the Church the characteristics of the Haitian populations and the public resources available to immigrants across these three contexts By showing how religion sustains resilience and empowerment for a particularly vulnerable group of individuals Mooney demonstrates the crucial role of meaning making matters for immigrant incorporation Michele Lamont Harvard University This book teaches us an important lesson When immigrants are religious and so many are pragmatic cooperation between church and state can hasten their acculturation and improve their well being Faith Makes Us Live is essential reading for those who want to better understand the role of religion and religious institutions in immigrants lives Mark Chaves Duke University An exemplar of theory driven ethnographic research Professor Mooney provides an ambitious comparative study at once rich in detail and grand in scope By systematically comparing three countries on two continents this book uncovers crucial patterns of relationships among church state and civil society and how they affect immigrants on the ground This is what ethnography should be rooted in the lived experience of everyday life and yet motivated by the need to understand human social processes in general Andy Perrin University of North Carolina Thoroughly sociological in design and analysis this study opens new vistas for the field of religion and immigration Leaving behind celebratory or critical accounts of the role of religious beliefs in the adaptation of immigrant minorities Mooney makes clear that processes and outcomes depend on the interaction between religious institutions and the broader socio political context An original contribution made even more valuable by its focus on one of the most downtrodden groups in the migrant world Alejandro Portes Princeton University
