St. Augustine of Hippo

What Was That Verse Again:

A Scripture argument against permitting marriage with a wife's sister ... Second edition James Augustus HESSEY (Archdeacon of Middlesex.),1850 **The Writings Against The Manichaeans And The Donatists** St. Augustine of Hippo, This volume gives a fair sample of Augustin s controversial powers His nine years personal experience of the vanity of Manich ism made him thoroughly earnest and sympathetic in his efforts to disentangle other men from its snares and also equipped him with the knowledge requisite for this task No doubt the Pelagian controversy was more congenial to his mind His logical acuteness and knowledge of Scripture availed him more in combating men who fought with the same weapons than in dealing with a system which threw around its positions the mist of Gnostic speculation or veiled its doctrine under a grotesque mythology or based itself on a cosmogony too fantastic for a Western mind to tolerate 25 But however Augustin may have misconceived the strange forms in which this system was presented there is no doubt that he comprehended and demolished its fundamental principles 26 that he did so as a necessary part of his own personal search for the truth and that in doing so he gained possession vitally and permanently of ideas and principles which subsequently entered into all he thought and wrote In finding his way through the mazes of the obscure region into which Mani had led him he once for all ascertained the true relation subsisting between God and His creatures formed his opinion regarding the respective provinces of reason and faith and the connection of the Old and New Testaments and found the root of all evil in the created will **Answers to Confounding Teachings of End-Time Events** W. Winters,2024-11-07 How many different views of the end time Bible passages have you heard Are the gospel accounts about the end times only talking about Jesus s second coming or do they include information on the rapture What exactly happens when the rapture takes place What happens to Fido my cat in the rapture event What kind of body does my dad in heaven have right now if he doesn t get one until the rapture Just how many resurrections are there How can I know I ll be going up in the rapture to be with Jesus And then there s the Ezekiel 38 and 39 war the Gog Magog war How many different views have you sat through for that one How many times has someone said there has to be a gap between the rapture and start of the tribulation for God to account for the Psalms 83 and the Gog Magog wars And what about Psalms 83 is it a war or a prayer Are you tired of the unanswered questions or being told we can never know for sure Then stop and read this book Allow the words to with prayer through the power of the Holy Spirit walk you through the Scriptures to provide real answers to all the different prophetic teachings You don t have to be confounded about these end time questions anymore I hope you re as blessed by God reading this book as much as I was by writing it See you in the clouds soon **Publications of the New Shakespere Society** New Shakspere Society,1874 **Concerning the Text of the Apocalypse** Herman Charles Hoskier,1929 **The True Believers' Defence Against Charges Preferred by Trinitarians for Not Believing in the Divinity of Christ, the Deity of Christ, the Trinity, &c** Charles Morgridge,1837 *The Strange and Worthy Accidents in the Birth and Life of Marina.
