Widcombe Fair:

Widcombe Fair Eden Phillpotts,1921 *The History of Widcombe Fair* ,2007-01-01 It is Devon s best known folk song but the ghost of Tom Pearse s old grey mare still leads historians on a never ending merry go round ride The poor put upon beast supposedly expired after carrying Uncle Tom Cobley and his band of fair goers to Widcombe but more than a century on mystery still surrounds the tragic journey across Dartmoor Did it really happen or is it all just a myth According to a new book there are still many unanswered questions surrounding the song But the characters mentioned in it did exist and they all came from mid Devon After more than two years of delving into the history of the famous fair the Widcombe and District Local History Group concludes that its story as with all legends and folklore has elements of truth

Widcombe Fair Eden Phillpotts,1929 *Widcombe Fair* Eden Phillpotts,1917 **Widcombe Fair (Classic Reprint)** Eden Phillpotts,2017-11-23 Excerpt from Widcombe Fair A modest comedy Of Dartmoor planned more than twenty years ago is now finished and it may be permitted to address those few fellow artists and amateurs who have honoured me with their interest to the end They are invited to judge the work as a whole and from no fragment they are asked to consider it as a frieze carved largely and roughly whereon victors vanquished and spectators of the ceaseless struggle play their parts in the great hypaethral theatre Of the Western Moors The workmanship is archaic yet I venture to claim form and an economy of means so austere that the difficulties have often conquered me But in the temples of art every servant shall find his or her place and while the greatest alone can fill the niche wreath the column and adorn the holy Of holies the least may bring something to make fair each nook and corner may add a minor fresco or piece of patient carving that shall not shrink from the sunbeam About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
