Widowers' Houses - A Play Bernard Shaw,2010-05 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing many of these classic works in affordable high quality modern editions using the original text and artwork **Widowers' houses, a comedy** George Bernard Shaw,1893 **Widower's Houses** Bernard Shaw,1905 *Widower's House* John Bayley,2001 Since the death in 1998 of his wife the novelist and philosopher Iris Murdoch John Bayley has given much thought to adjusting to his new single status As the carer of a victim of Alzheimer s his was in many ways a double bereavement as Iris in the sense of the person who John Bayley met and married very slowly departed this world some years before her physical death This book provides a meditation on his bereavement and loss written in John Bayley s sensitive and amusing style of reminiscence **Widowers' Houses** George Bernard Shaw,2022-06-03 This play was first included among Shaw s Unpleasant Plays The subject matter deals with the way in which the wealthy may make use of and exploit the poor simply because of their unearned privilege and position **The Moravian Brethren in a Time of Transition** Christina Petterson,2021-09-13 Based on hundreds of archival documents Christina Petterson offers an in depth analysis of the community building process and individual and collective subjectification practices of the Moravian Brethren in eighteenth century Herrnhut Eastern Germany between 1740 and 1760 The Moravian Brethren are a Protestant group but Petterson demonstrates the relevance of their social experiments and practices for early modernity by drawing out the socio economic layers of the archival material In doing so she provides a non religious reading of categories that become central to liberal ideology as the Moravians negotiate the transition from feudal society to early capitalism As such *The Moravian Brethren in a Time of Transition* combines archival analysis with socio economic change Widowers' Houses Bernard Shaw,2016-11-01 Excerpt from *Widowers Houses A Play* Blanche contemptuously Tact Thats not tact thats inquisitiveness Inquisitive people always have a lot of practice in getting into conversation with strangers Why didnt you speak to my father yourself on the boat You were ready enough to speak to me without any introduction About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Builder* ,1910-07 **Widowers' Houses** George Shaw,2015-02-05 Shaw believed that theatre audiences of the 1890s deserved more than the hollow spectacle and sham he saw displayed on the London stage But he also recognized that people wanted to be entertained while educated and to see purpose mixed with pleasure In *Widowers Houses* Harry Trench is engaged to brisk Blanche Sartorius When he realizes that
