

Widows Kiss

Michael Hoelscher

Widows Kiss:

Women's Ways Harry Lee Newton, 1905 **Aimer et mourir** Eilene Hoft-March, Judith Holland Sarnecki, 2009-01-23

Aimer et Mourir offers a wide ranging selection of essays that collectively address how from the Middle Ages to the present the notions of love and death get inextricably associated with the narratives that are women's lives. Some of the essays tackle male writers' representations that link women and in particular women's sexuality with death resulting in the figures of the femme fatale, the woman in parturition and the desiring vampire. A number of essays reiterate that women's hypersexualized bodies have been used as a social construct and a psychological screen upon which to project a fear of death. The challenges to this pat reduction of woman's domain come from the mostly women writers represented here and they span from Marguerite de Navarre to Amalie Notomb. These women writers rework the old formulae giving us instead death-defying memories of love, love regenerative of language as of bodies, love forcing the frontiers of death or love creatively redefined within the parameters of death. Nor are these new narratives imagined as belonging to women alone but rather as attesting to a richer, more varied and greatly sensitized human experience.

The Spirits Richard Godwin, 2015-09-24. A handbook of classic cocktails essential to every host's repertoire. Vogue. Want to master the art of mixology from home? Of all the skills you might acquire in life, learning how to make exquisite cocktails is the least likely to be a waste of your time. In this classic guide to cocktail writing, columnist and founder of The Spirits newsletter, a book club but for cocktails, Richard Godwin offers over 200 delicious, inventive and accessible recipes. Beautifully written, laugh-out-loud funny and full of practical good sense as well as fascinating historical snippets, this little book contains everything that an amateur needs to up their cocktail game and increase the sum of human happiness. Simple to navigate and fun to read, it's the only book I reach for on a Friday evening. The weekend starts here.

Felicity Cloake. I truly love this book. No one writes about drinks like Richard Godwin. I enjoy his prose as much as anything in the glass.

Marina Hyde. The best, most elegant and most sparkling cocktail book. Esquire.

Never Marry a Woman with Big Feet Mineke Schipper, Wilhelmina Janneke Josepha Schipper, 2003-01-01. In this study, the author analyses similarities, differences and contradictions in the cultural norms about gender expressed in proverbs she has found in oral and written sources from over 150 countries. Grouping the proverbs into categories as the female body, love, sex, childbirth and the female power, the author examines shared patterns in ideas about women and how men see them.

The Widow's Kiss Jane Feather, 2002-01-29. Dear Reader, When I first saw her, I realized that the miniature portrait I had shown to the king did not do her justice. Lady Guinevere, Mallory's beauty transcended even a portrait painter's skill. It was nearly impossible to believe that this woman, who had buried four husbands before her thirtieth birthday, could have used murder and the dark arts of witchcraft to achieve her great wealth. I carried the king's writ to investigate Lady Guinevere's oft-repeated widowhood. Was it mere coincidence that each death had left her wealthier than the last? The fact that I believed she also held lands that rightfully belonged to my family made my investigations all the more personal and all

the more thorough Surely I thought such a woman would bear some obvious mark of treachery on her countenance in her manner But when we met I saw only the beauty of her pale blond hair and her deep violet eyes that seemed to me to offer a glimpse into the intriguing world of her brilliant mind and spirit I began to wonder how the gentle hands of such an elegant woman whose cool composure belied her dubious past could have committed cold blooded murder Now as I learn more about the mysterious widow I find myself growing more curious about the secrets of her heart and more determined to reveal those secrets Guinevere is the most captivating and intriguing woman I have ever met I have but one question Will my interest in her prove to be a fatal one Hugh of Beaucaire

Sancta Paula Walter Copland Perry,1902 *American Proverbs About Women* Lois Kerschen,1998-06-25 Proverbs supposedly contain the wisdom of the common folk eternal truths to be passed down through the ages They are short often humorous expressions that teach lessons or give practical advice and they are perhaps the best indicators of attitudes and beliefs of any form of folklore Not only reflecting culture proverbs also perpetuate the cultural dictates of the past including the fears prejudices and misconceptions of their predominately male authors Because they are generalizations proverbs sometimes impede accurate observation and analysis and stifle original thought Like many other traditions and cultural practices proverbs often promote misleading stereotypes of women This reference book collects more than 800 American proverbs about women and analyzes their significance The volume begins with introductory chapters that explore the relationship between proverbs and culture and the image of women presented in proverbs The chapters that follow are devoted to particular categories such as wives and marriage mothers and daughters women as property and old women and grandmothers Each chapter includes a brief introductory overview and a listing of proverbs relating to the topic The proverbs were gathered through an extensive review of journal articles proverb dictionaries and other literature In addition to true proverbs the volume includes some phrases sayings and proverbial comparisons Not included are expressions that contain words like mother or daughter but do not really describe women or comment about them The book then presents a concluding analysis of how American proverbs portray women an alphabetical index of proverbs and an extensive bibliography

Venus Jane Feather,2003-08-26 From the New York Times bestselling Jane Feather author of *To Kiss a Spy* and *Kissed by Shadows* comes a deliciously sensual tale of intrigue and temptation The last thing Lord Nicholas Kincaid expected to see in the gloom of a London tavern was a vision of loveliness And when she led him to a bedchamber with a come hither smile there was no question of resisting until he realized the lying wench meant to render him senseless so the landlord could rob him blind That s how the handsome lord made the acquaintance of Miss Polly Wyatt a ravishing beauty he soon decided would make the perfect spy Unwittingly she would infiltrate the inner circle at the king s court But when Nicholas sets out to bind Polly with chains of passion he ll find himself hard pressed not to be bewitched or to fall in love
