

Wig The B 52s

Pete Crighton

Wig The B 52s:

The Story of the B-52s Scott Creney,Brigette Adair Herron,2023-05-05 The Story of the B 52s Neon Side of Town is the first critical history of one of the most legendary and influential bands in American popular music Locating The B 52s in the intellectual climate of their hometown of Athens GA and following the band from New York s downtown scene in the early 1980s to their upcoming farewell tour the book argues that The B 52s are much more significant political and musical influences on American society than their reputation as a silly party band suggests and that their ongoing commitment to values including cooperation mutual support and using disruptive fun as a form of social change are an antidote to the neoliberalization sweeping both Athens and the rest of the Western world For example the book shows how the band synthesized influences from the modern artists displayed at the University of Georgia art museum early queer activism on campus in the 1970s and their experiences as queer people living through the AIDS crisis to create music that continues to be artistically and politically influential today The authors are active members of the Athens GA music scene and the book includes original interviews with a range of number close to the band

The B-52s' Cosmic Thing Pete Crighton,2025-07-24 The B 52s were always queer though not overtly and this book dissects the coded queer messaging in their music using 1989 s Cosmic Thing as a focal point Alongside the author s own queer awakening Crighton investigates the band s history and recorded work to date providing cultural context along the way and proves what was obvious all along the B 52s aren t just pop culture icons they are queer history Cosmic Thing took the world by storm in 1989 in the wake of the band s single greatest tragedy losing guitarist Ricky Wilson to complications from AIDS in 1985 Cosmic Thing is a celebration of queer joy in the face of that seismic setback Not only did the B 52s have to fight through their pain and grief to make their fifth full length record the band was also up against a conservative government under Reagan then Bush a misunderstood virus still ravaging the queer community and an indifferent public after years out of the spotlight Watching the band enjoy their greatest success in the face of adversity was part of what made Cosmic Thing such a marvel to behold as miraculous as the B 52s entire career

The Tacky South Katharine A. Burnett,Monica Carol Miller,2022-06-15 As a way to comment on a person s style or taste the word tacky has distinctly southern origins with its roots tracing back to the so called tackies who tacked horses on South Carolina farms prior to the Civil War The Tacky South presents eighteen fun insightful essays that examine connections between tackiness and the American South ranging from nineteenth century local color fiction and the television series Murder She Wrote to red velvet cake and the ubiquitous influence of Dolly Parton Charting the gender race and class constructions at work in regional aesthetics The Tacky South explores what shifting notions of tackiness reveal about US culture as a whole and the role that region plays in addressing national and global issues of culture and identity

My Old Man'S a Busman Peter Gilbert,2014-05-15 Whilst there are enough celebrity connections and anecdotes not to be out of place in an A list autobiography the real hook of this book is that the author isnt remotely

famous The endearing appeal is that it is the viewpoint of the everyman but one who has had enough light brushes with celebrity that he has some great tales to tell These stories anecdotes and musings are seamlessly woven into what for many of us will be a memory jogging laughter inducing remembrance of some of the major as well as quainter stranger and more trivial moments of pop culture over the last few decades If you love pop music and pop culture feared the Daleks the Child Catcher from Chitty Chitty Bang Bang and mourn the demise of Pez Cresta conkers as a rite of passage jokes on lolly sticks Top of the Pops and pink vinyl limited edition LPs then you will surely enjoy this Please beware This book may waste days if not weeks of your life as almost every paragraph will have you frantically typing into your search engine and getting lost on what may turn out to be an endless Internet Safari This book contains some adult humour Best Wishes and Good Luck with your writing Ben Elton

Stage Makeup Richard Corson,1975 Covers the basic techniques and materials for all types of stage make up Contains illustrations of step by step procedures for modeling and molding techniques
