## Wild Freedom:

**Wild Freedom** Dale M. Kushner,2026-05-05 In this meditation on the creative mind poet novelist essayist and student of Jung Dale M Kushner revisits a fairy tale she wrote decades ago during a time of crisis and uncertainty to examine the condition of self enchantment a state of being that infuses life with the healing power of creativity and illuminates the luminous darkness within Wild Freedom The Princess Who Found Her Name On Fairy Tales Imagination and the Creative Mind and Kushner s accompanying essay present an unflinching and impassioned exploration of the persistence of the creative self and its not always peaceful coexistence with family identity motherhood and desire Augmenting Kushner s tale and reflections are three revelatory essays and a foreword by distinguished Jungian analysts Henry Abramovitch Kenneth W James Dariane Pictet and Murray Stein Together the story and the essays invite readers on a journey of self discovery through the wetlands and forests of soul *Political Freedom* George G. Brenkert,2006-09-27 This book examines the underlying theoretical issues concerning the nature of political freedom Arguing that most previous discussions of such freedom have been too narrowly focused it explores both conservatism from Edmund Burke to its present resurgence the radical tradition of Karl Marx as well as the orthodox liberal model of freedom of John Locke John Stuart Mill and Isaiah Berlin *Political Freedom* argues that these three accounts of political freedom conservative liberal and radical all have internal weaknesses which render them unsatisfactory In the second part of the book George Brenkert develops an alternative theory of political freedom Using the guiding concept of empowerment his model explores individual rights democratic participation in government and workplace and the need to provide the material and educational resources to allow individuals to effectively exercise their rights to self determination It is a clear and bold attack on the view that there is no link between freedom and power
