Wild Conquest

LL Leslie

Wild Conquest:

Wild Conquest Hannah Howell, 2009-11 Pleasance Dunstan is used to silently bearing the cruelties put upon her by her thoughtless family But nothing can prepare her for the greatest indignity of all being sold into servitude to a man as wild as Tearlach O Duine His untamed ways are whispered of throughout town and he has set his sights on Pleasance to be more than his servant He will have her in his bed Pleasance could escape this fate with a word but her fierce pride keeps her silent Instead she follows her new master to the rough lands where he has made a home and finds a world beyond any she has ever known a world of desire For though he is her captor only Tearlach can show her how freeing true passion can be and while her servitude to him will one day end nothing can stop the binding of their hearts Page 4 of cover **Wild Conquest** Peter Abrahams, 1966 *Wild Conquest* Peter Abrahams, 1971 *Wild Conquest* René J. complexities of black existence and of intellectual and cultural life in the twentieth century The first is the exploration of some of the centenarians key texts and cultural projects that shaped their legacies In doing so the volume contributors trace a number of divergent intellectual and aesthetic lineages in their works and organisational activities The second aim is a consideration of the ways in which these foundational writers legacies continue to resonate today confirming their status as crucial contributors to modern African and diasporic black arts and letters
