You Can Communicate Intermediate Signs:

You Can Communicate Karen Finlayson,1978 **Dogs Can Sign, Too** Sean Senechal,2012-06-13 Imagine being able to ask your poodle Who s at the door and having her respond It s Katy Or asking your golden retriever Do you want a treat and him responding No water Or asking your Border collie Which toy do you want and getting the response Stick If you ve ever wondered what dogs would tell us if they could now you can find out The K9Sign system teaches dogs to communicate to us making it a first in any dog training book category Dogs Can Sign Too is the first book dedicated exclusively to the K9Sign system for teaching dogs to communicate to their human companions using a vocabulary of gestures This extraordinary education tool developed by the creator of AnimalSign Language exclusively for the canine community teaches people and their pets a unique mode of communication that employs an extensive lexicon of specific signs Sample signs range from general concepts such as Food or Play to identifying special treats such as Liver or Cheese and specifying a favorite toy such as Ball or Frisbee Signs also include useful questions such as Who s that or What type to naming a particular friend or family member or even indicating a stranger Learning and practicing K9Sign is a fun challenging and rewarding experience for both you and your dog that is sure to deepen the human canine bond while expanding our ideas about interspecies communication

School and classroom disabilities inclusion guide for low- and middle-income countries Jennae Bulat,Anne M. Hayes,Wykia Macon,Renáta Tichá,Brian H. Abery,2017-01-04 Having a disability can be one of the most marginalizing factors in a child s life In education finding ways to meet the learning needs of children with disabilities can be challenging especially in schools districts regions and countries with severely limited resources Inclusive education which fully engages all children in quality education including children with various types of disabilities or other learning challenges has proven particularly effective in helping all children learn including those with disabilities This guide provides strategies and recommendations for developing inclusive classrooms and schools We specifically address the needs of Sub Saharan African countries which lack the resources for implementing inclusive education However our strategies and recommendations can be equally useful in other contexts where inclusive education practices have not yet been adopted
