**Lyrics** Rikky Rooksby, 2006-10 R d og vejledning til at skrive sangtekster til rock og popmusik      **You Can Write Songs** John Ford, 2020-11-21 Songwriting is a skill that can be learned by anyone In my 25 years of teaching 100% of my students who wanted to write songs did learn to write songs Most of them were complete beginners who had never even written part of a song They simply studied the information in this book did the recommended exercises and within months were writing songs If you have no idea how to write songs right now don t worry It s easier than you think You don t need to read music or

play an instrument All you need to get started is the ability to hum a melody You will also need a phone or tablet with a recording app Many hit songs are written with nothing more than a recording app on cell phone Pretty simple The good news is you don't need to read and write music in order to be a great songwriter Check out these songwriters who never learned to read music Michael Jackson Paul McCartney Taylor Swift Eric Clapton the Beatles Eddie Van Halen Bob Dylan Jimi Hendrix Slash Stevie Wonder and Lionel Richie They didn't learn to read music because it was never necessary It's not necessary for you either I started off just like you I had a desire to write songs but had never written one My first few songs were pretty raw and I would be embarrassed to have you hear them now But over the years I developed my writing to the point of getting my songs and jingles on TV radio Spotify iTunes and most of the major streaming services I even had one of my songs placed in a movie I was not gifted with extraordinary talents I just studied with some of the industry's top professional songwriters and kept writing The more I wrote the better my songs became If I can do that so can you Here's another way to look at it If you were stuck on a deserted island and the only way you could get off was to read this book and write three good songs I guarantee that you would write three good songs It's just a matter of learning the craft and putting in the time Nothing magical If you're just starting out as a songwriter your first few songs will be rough That's normal It doesn't mean you're a bad songwriter It just means you're a beginning songwriter If you stick with it you'll get better Start writing and keep writing Even if you're complete beginner you will learn how to

- 1 Write great lyrics
- 2 Create awesome melodies for your lyrics
- 3 Record your first demo
- 4 Get your songs heard by industry pros
- 5 Copyright your songs

John Ford is the founder of the John Ford School of Voice For 25 years he and his staff have helped thousands of people to sing perform and write songs better than they ever dreamed possible Most of these students were complete beginners when they started Ford's students are working in clubs and recording studios and have been featured on MTV The Late Show The Sundance Film Festival The Howard Stern Show as well as most streaming platforms and pop radio stations throughout the world

**The Living Years** Mike Rutherford, 2014-01-23 Now Michael you're the son of a naval officer you must behave like a naval officer at all times What Captain William Rutherford told his seven-year-old son Michael was to stay with him all his life Born in 1950 Michael was truly his father's son even serving in the naval section of the student cadet corps at one of England's top public schools Charterhouse Mike's future lay in the civil service it was a subject that he discussed with his father at Captain Crawford's gentlemen's club But then something happened Mike discovered rock music As one of the founder members of Genesis Mike was to tour the world and achieve international fame From unpromising beginnings demonised by his teachers as a fomenter of revolution driving to gigs in a bread van Mike would go on to crisscross the globe with bandmates Peter Gabriel and later Phil Collins playing to packed-out stadiums and achieving record sales of over 150 million Swapping old school ties and Savile Row suits for flares and Afghan coats Mike and Genesis would pioneer the pomp and theatricality of 1970s progressive rock before becoming household names in the 1980s with hits like Turn It On Again Mama and Land of Confusion There was

drink there were drugs there were arguments and excess But in the background and sometimes in the audience there was also the loyal Captain Rutherford earplugs at the ready Melody Maker in hand A proud father still The Living Years spans the entire history of Genesis from the earliest days as a school band to the triumphant 2007 reunion tour when Genesis played to over 500 000 people in Rome But this is not just another rock n roll memoir This is also a book about two men whose lives and complex relationship reflect the seismic social and cultural shifts that took place during the twentieth century A book for every father and son
