## Young Crafts:

*Bible Stories & Crafts: New Testament* Mary Tucker, 2007-01-10 Bible stories from the Old and New Testaments are presented in creative ways to help children understand God's work and His presence in their everyday lives. Each story is accompanied by discussion questions, a memory verse, and a fun craft activity.

**The Crafts Family** William Francis Crafts, 1893. Griffin Craft d. 1689 and his family emigrated in 1630 from England to Roxbury, Massachusetts. He married twice, once in England. Descendants lived in New England, New York, Ohio, Illinois, Kansas, Michigan, Wisconsin, and elsewhere. Includes some ancestors in England.

**Craft Entrepreneurship** Annette Naudin, Karen Patel, 2020-12-10. Craft practice has experienced a sharp rise in popularity since the late 2000s, partly through the aura of the analogue and the desire for authentic handmade products in an increasingly fast-paced, digitalised world (Luckman, 2015), but also because of digital platforms such as Etsy and social media enabling anyone to become a craft entrepreneur. This book brings together historical policy and individual narratives to inform a broad understanding of craft entrepreneurship. Drawing on case studies from around the world, *Craft Entrepreneurship* considers questions of identity, community, and the digital in craft entrepreneurship. In doing so, it finds craft activities to be positioned between or across the arts heritage, notions of a bohemian lifestyle, and the challenges of micro-entrepreneurship. By engaging with the contradictions and fragility of sustaining a craft practice, the chapters in this book contribute to different perspectives for entrepreneurship studies. The contributions to this volume illustrate the craft entrepreneurs' identity, motivation, and sense of creative purpose through their craft as these collide with the tensions brought about through entrepreneurship.
