Zeno's Conscience:

Zeno's Conscience Italo Svevo, 2001-11-06 The modern Italian classic discovered and championed by James Joyce *Zeno's Conscience* is a marvel of psychological insight published here in a fine new translation by William Weaver the first in more than seventy years Italo Svevo's masterpiece tells the story of a hapless doubting guilt ridden man paralyzed by fits of ecstasy and despair and tickled by his own cleverness His doctor advises him as a form of therapy to write his memoirs in doing so Zeno reconstructs and ultimately reshapes the events of his life into a palatable reality for himself a reality however founded on compromise delusion and rationalization With cigarette in hand Zeno sets out in search of health and happiness hoping along the way to free himself from countless vices not least of which is his accursed last cigarette Zeno's famously ineffectual refrain is inevitably followed by a lapse in resolve His amorous wanderings win him the shrill affections of an aspiring coloratura and his confidence in his financial savoir faire involves him in a hopeless speculative enterprise Meanwhile his trusting wife reliably awaits his return at appointed mealtimes Zeno's adventures rise to antic heights in this pioneering psychoanalytic novel as his restlessly self preserving commentary inventively embroiders the truth Absorbing and devilishly entertaining *Zeno's Conscience* is at once a comedy of errors a sly testimonial to the joys of procrastination and a surpassingly lucid vision of human nature by one of the most important Italian literary figures of the twentieth century

Zeno's Conscience - Svevo Italo Svevo, 2024-07-17 *Zeno's Conscience* is a novel presented as the fictional autobiography of Zeno Cosini an unreliable narrator who recounts his life story to his psychoanalyst The novel is structured around Zeno's attempts to quit smoking his relationships with his father and wife his business ventures and his extramarital affairs Svevo employs a stream of consciousness technique to delve into Zeno's psyche revealing his self deceptions rationalizations and contradictions Zeno's reflections on his life are marked by irony and humor and his unreliable narration adds layers of complexity to the story One of the central themes of *Zeno's Conscience* is the exploration of human irrationality and self delusion Zeno's repeated failures to quit smoking serve as a metaphor for his broader inability to control his impulses and understand his true motivations Svevo's portrayal of Zeno's inner life anticipates many of the themes and techniques later associated with psychoanalysis and modernist literature The novel also reflects Svevo's interest in the emerging field of psychoanalysis influenced by his reading of Sigmund Freud's works Svevo's depiction of Zeno's sessions with his psychoanalyst serves as a vehicle for exploring the complexities of human consciousness and the limitations of self knowledge

Interstitial Writing Paolo Bartoloni, 2003 This book pushes literary theory into unexplored grounds to articulate the modern and contemporary condition of interstitiality through an innovative discussion of literary and philosophical underpinnings and interpretation of works by Calvino Caproni Sereni and Svevo It will appeal to Italianists and anyone
