and living in the stone age It s only about keeping things that are useful meaningful and add value to your life While it does not place importance on material things and lavish living minimalism is also not about denying yourself of the things you need The guide is divided by different rooms and topics to make it easy and practical to refer to Entryway Kitchen Living Room Bathroom Bedroom Children s Rooms Teen Rooms Garage Basement Attic Garden Office Computer Technology Closets Mail Sentimental Objects Photos Cards Letters Music People This book also helps you Recognize Clutter Declutter clean organize your home room by room Sell your things for profit Shop for a minimalist wardrobe Get your family on board Declutter digital content and computer files Go car free or car lite Surround yourself with people who add value to your life Maintain your space once you ve minimalized Living with less is the first step to a peaceful mind It makes space for the new to come in Buy the book put it into practice and welcome positive change into your life now **Toolkits and Building**
