

State And Society

Kevin T. Leicht, J. Craig Jenkins

State And Society:

State And Society In The Dominican Republic Emelio Betances, 2018-03-05 This book offers an analysis of the formation of the Dominican state and explores the development of state society relations since the late nineteenth century Emelio Betances argues that the groundwork for the establishment of a modern state was laid during the regimes of Ulises Heureaux and Ram 1 2 1 2res The U S military government that followed later expanded and strengthened political and administrative centralization Between 1886 and 1924 these administrations opened the sugar industry to foreign capital investment integrated Dominican finance into the international credit system and expanded the role of the military State expansion however was not accompanied by a strengthening of the social and economic base of national elites Betances suggests that the imbalance between a strong state and a weak civil society provided the structural framework for the emergence in 1930 of the long lived Trujillo dictatorship Examining the links between Trujillo and current caudillo Joaquin Balaguer the author traces continuities and discontinuities in economic and political development through a study of import substitution programs the reemergence of new economic groups and the use of the military to counter threats to the status quo Finally he explores the impact of foreign intervention and socioeconomic change on the process of state and class formation since 1961

The Police, State, and Society René Lévy, 2011 Revised version of papers presented at a conference held at New Delhi during 9 11 February 2004

State and Society in Post-Socialist Economies J. Pickles, 2008-01-17 State and Society in Post Socialist Economies focuses on the reform economies of post socialist Europe It looks at how various projects of communism that emerged in have been and are still being dismantled and recomposed by alternative visions institutions and practices of capitalist market economies and democratic polities

State and Society in the Early Middle Ages Matthew Innes, 2000-04-24 This book first published in 2000 is a pioneering study of politics and society in the early Middle Ages Whereas it is widely believed that the source materials for early medieval Europe are too sparse to allow sustained study of the workings of social and political relationships on the ground this book focuses on a uniquely well documented area to investigate the basis of power Topics covered include the foundation of monasteries their relationship with the laity and their role as social centres the significance of urbanism the control of land the development of property rights and the organization of states community kinship and lordship justice and dispute settlement the uses of the written word violence and the feud and the development of political structures from the Roman empire to the high Middle Ages

State and Society in the Taiwan Miracle Thomas B. Gold, 2015-02-12 Explores the application of constructivist theory to international relations The text examines the relevance of constructivism for empirical research focusing on some of the key issues of contemporary international politics ethnic and national identity gender and political economy

War, State, and Society in England and the Netherlands 1477-1559 Steven Gunn, David Grummitt, Hans Cools, 2007-11-15 Exploring the effects of war on state power in early modern Europe this book asks if military competition increased rulers

power over their subjects and forged more modern states or if the strains of war broke down political and administrative systems Comparing England and the Netherlands in the age of warrior princes such as Henry VIII and Charles V it examines the development of new military and fiscal institutions and asks how mobilization for war changed political relationships throughout society Towns in England such as Norwich York Exeter and Rye are compared with towns in the Netherlands such as Antwerp Leiden s Hertogenbosch and Valenciennes to see how the magistrates relations with central government and the urban populace were modified by war Great noblemen from the Howard and Percy families are set alongside their equivalents from the houses of Cro and Egmond to examine the role of recruitment army command and heroic reputation in maintaining noble power The wider interactions of subjects and rulers in wartime are reviewed to measure how effectively war extended princes claims on their subjects loyalty and service their ambitions to control news and opinion and to promote national identity and their ability to manage the economy and harness religious change to dynastic purposes The result is a compelling but nuanced picture of societies and polities tested and shaped by the pressures of ever more demanding warfare

The State and Society Open University. State and Society Course Team,1983 **State and Society in the Dominican Republic** Emelio Betances,2019-09-13 This book offers an analysis of the formation of the Dominican state and explores the development of state society relations since the late nineteenth century Emelio Betances argues that the groundwork for the establishment of a modern state was laid during the regimes of Ulises Heureaux and Ramres The U S military government that followed later School & Society ,1921 **The State and Society** Open University,Open University. Faculty of Social Sciences,1988 **Handbook of Politics** Kevin T. Leicht,J. Craig Jenkins,2009-11-28 Political sociology is the interdisciplinary study of power and the intersection of personality society and politics The field also examines how the political process is affected by major social trends as well as exploring how social policies are altered by various social forces Political sociologists increasingly use a wide variety of relatively new quantitative and qualitative methodologies and incorporate theories and research from other social science cognate disciplines The contributors focus on the current controversies and disagreements surrounding the use of different methodologies for the study of politics and society and discussions of specific applications found in the widely scattered literature where substantive research in the field is published This approach will solidly place the handbook in a market niche that is not occupied by the current volumes while also covering many of the same theoretical and historical developments that the other volumes cover The purpose of this handbook is to summarize state of the art theory research and methods used in the study of politics and society This area of research encompasses a wide variety of perspectives and methods that span social science disciplines The handbook is designed to reflect that diversity in content method and focus In addition it will cover developments in the developed and underdeveloped worlds *Annual Report* Iowa State Horticultural Society, Des Moines,1902 The Quarterly Journal of the Mythic Society (Bangalore). Mythic Society (Bangalore, India),1930 **Catalogue of the Library of the State**

Historical Society of Wisconsin: First [to fifth] supplements. [Additions from 1873-1887 State Historical Society of Wisconsin. Library, 1875 Includes titles on all subjects some in foreign languages later incorporated into Memorial Library
Union List of Serials in Libraries of the United States and Canada Gabrielle (Ernits) Malikoff, 1927 *The State and Society*, 1984 **The State and Society** Open University. Faculty of Social Sciences, 1983 **The State and Society**, 1983 **Hayden's Annual Cyclopedia of Insurance in the United States**, 1918 Issues for 1916 include section Biographical sketches *A Directory of American Museums of Art, History, and Science*, 1910
