# States Of Nature

**New York (State). Secretary's Office**

## **States Of Nature:**

*American States of Nature* Mark Somos, 2019-04-01 *American States of Nature* transforms our understanding of the American Revolution and the early makings of the Constitution Surveying thousands of texts produced between 1761 and 1775 including hundreds of archival discoveries this book shows that the state of nature was among the most crucial revolutionary concepts The founding generation drew not only on English sources such as Hobbes and Locke but also on Grotius Pufendorf Rousseau Vattel and others to develop an original and distinct American view of the state of nature as a natural community where colonists could pool their rights to self defense and self government

**The State of Nature: Histories of an Idea**, 2021-12-13 Listen to the New Books Network Podcast The phrase state of nature has been used over centuries to describe the uncultivated state of lands and animals nudity innocence heaven and hell interstate relations and the locus of pre and supra political rights such as the right to resistance to property to create and leave polities and the freedom of religion speech and opinion which may be reactivated or reprioritised when the polity and its laws fail Combining intellectual history with current concerns this volume brings together fourteen essays on the past present and possible future applications of the legal fiction known as the state of nature Contributors are Daniel S Allemann Pamela Edwards Ioannis D Evrigenis Mary C Fuller David Singh Grewal Francesca Iurlaro Edward J Kolla L szl Kontler Grant S McCall Emile Simpson Tom Sparks Benjamin Straumann Karl Widerquist Sarah Winter and Simone Zurbuchen

**State of Nature Or Eden?** Helen Thornton, 2005 *State of Nature or Eden* Thomas Hobbes and his Contemporaries on the Natural Condition of Human Beings aims to explain how Hobbes s state of nature was understood by a contemporary readership whose most important reference point for such a condition was the original condition of human beings at the creation in other words in Eden The book uses ideas about how readers brought their own reading of other texts to any reading that reading is affected by the context in which the reader reads and that the Bible was the model for all reading in the early modern period It combines these ideas with the primary evidence of the contemporary critical reaction to Hobbes to reconstruct how Hobbes s state of nature was read by his contemporaries The book argues that what determined how Hobbes s seventeenth century readers responded to his description of the state of nature were their views on the effects of the Fall Hobbes s contemporary critics the majority of whom were Aristotelians and Arminians thought that the Fall had corrupted human nature although not to the extent implied by Hobbes s description Further they wanted to look at human beings as they should have been or ought to be Hobbes on the other hand wanted to look at human beings as they were and in doing so was closer to Augustinian Lutheran and Reformed interpretations which argued that nature had been inverted by the Fall For those of Hobbes s contemporaries who shared these theological assumptions there were important parallels to be seen between Hobbes s account and that of scripture although on some points his description could have been seen as a subversion of scripture The book also demonstrates that Hobbes was working within the Protestant tradition as well as showing how he used different aspects of
