Statistical Analyses for Language Assessment Workbook Lyle F. Bachman, 2005 *Statistical Analysis For Language Assessment South Asian Edition* Bachman, **Assessment Rubrics Decoded** Kelvin Heng Kiat Tan, 2020-03-27 Rubrics offer concrete artefacts of what schools evaluate to be of merit and what educators and schools value to be worth rewarding *Assessment Rubrics Decoded* offers insights into a myriad of issues that affect and are affected by the construction of merit in students learning and the articulation of underlying educational ideologies in the assessment of student achievement Designed for both students and teachers who should have parity of involvement in developing and using rubrics this book covers the problematic issues of assessment in schools while offering readers practical solutions to navigating the ensuing tensions and dilemmas The notion that rubrics may hinder assessment transparency is also discussed with examples to warn against uncritical use of rubrics that may discipline rather than help learners The perspective of a school leader in providing assessment leadership to rubrics usage across a school is included for extending awareness of rubrics beyond classroom contexts This provides an informed approach for teachers to understand the stakes and complexities involved in judging learning and learners whilst offering concrete options and suggestions to consider This book will be a valuable resource for classroom teachers school leaders teacher educators and researchers interested in the field of assessment rubrics **Fostering Language Assessment Literacy** Frank Giraldo, Xun Yan, 2025-11-10 This collection showcases language assessment literacy understood as the knowledge skills and principles necessary to engage in assessment activities by problematizing different approaches to its development and offering insights for language teachers and other stakeholders The volume builds on existing research in LAL which has thus far focused on defining its scope and charting how stakeholder dependent its development can be to provide readers with ideas to bridge the gap between LAL research and practice The book is organized around three parts each structured around practical applications from designing materials to workshops and courses to the latest issues in LAL pedagogies particularly around emergent technologies and their implications for teachers Case studies from around the world are featured to show these dynamics at work across diverse educational and geographic contexts In centering the discussion on pedagogical approaches the collection seeks to

advance debates and further research and equip teachers and policymakers with further resources to enhance LAL both in their own classrooms and as an area of inquiry This book will be of interest to scholars and stakeholders in language assessment and testing language education TESOL and applied linguistics *Speech and Language Assessment for the Bilingual Handicapped* Larry J.
