strategies 101 Ways to Stay Out of Court covers all of this simply and quickly Learn what type of case or cause of action your claim falls under and the legal elements you ll need to prove in order to win Then learn some basic but highly effective negotiating strategies to help cinch the deal and what you need to know about mediation a cost effective alternative to taking someone to court The legal landmines included in this volume 1 are smartly organized into three sections based on when and where they typically occur in your home while you re shopping and running errands and in the course of your travel transportation and entertainment In the Appendix you ll find a handy reference guide to help you navigate virtually any other legal land mine you may encounter
