The Richer Sex Liza Mundy, 2012-03-20 A REVOLUTION IS UNDER WAY Within a generation more households will be supported by women than by men In *The Richer Sex* Liza Mundy takes us to the exciting frontier of this new economic order she shows us why this flip is inevitable what surprising adjustments will have to be made along the way and how both men and women will feel surprisingly liberated in the end The bestselling author and Washington Post writer goes deep inside the lives of the couples on this cutting edge to paint a picture of how dating marriage and home life are changing How does this new generation of breadwomen navigate paying for a night on the town In whose interest is it to delay commitment Are men for the first time thinking of marriage the way women used to as a bet on the economic potential of a spouse In this new world of men marrying up are women learning to value new realms of male endeavor like parenting protection and a margarita at the ready The future is here with couples today debating who must assume the responsibility of primary earner and who gets the freedom to be on the slow track As more men choose to stay home that lifestyle has gained a higher status and males have found ways to retain their masculinity And the revolution is global Mundy takes us from Japan to Denmark to show how both sexes are adapting as the marriage market has turned into a giant free for all with men and women at different stages of this transformation finding partners in other countries who match their expectations *The Richer Sex* is a wild ride into the future grounded in Mundy's peerless journalism and bound to cause women and men of all generations to rethink what this social upheaval will mean

Ainslee's, 1909 *Happy Days*, 1915 *Raising Up Dreamers* Shelia Erwin, 2020-07-07 How do you raise Christian kids who have dreams that seem beyond their reach Parenting is an important task but the pressure doesn't need to be on us As parents we simply need to follow the leading of the Lord with the understanding that our children's natural abilities are actually the Lord working out their destiny When we give Christ unlimited control of our parenting we learn that Jesus is a better parent to our children than we can ever hope to be As Sheila Erwin shares personal stories of raising two successful filmmakers and delves into biblical principles you will be encouraged to cultivate your children's gifts and help them reach their dreams no matter how impossible they seem By parenting from a position of trust and rest in God you can guide your children to chase their God-given dreams and channel their talents to glorify God instead of being gripped by the world
