Deviance and Social Control Michelle Inderbitzin, Kristin A. Bates, Randy R. Gainey, 2020-07-23 *Deviance and Social Control: A Sociological Perspective* provides a sociological examination of deviant behavior in society with a significant focus on the major theories of deviance and society's reaction to deviance. Authors Michelle Inderbitzin, Kristin A. Bates, and Randy R. Gainey use sociological theories to illuminate issues related to deviant behavior, offering clear overviews and perspectives in the field as well as introductions to classic and current research. A unique text reader format combines substantial original chapters that clearly explain and outline the sociological perspectives on deviance with carefully selected articles from leading academic sources. Included with this title is the password-protected Instructor Resource Site, formally known as SAGE Edge, which offers access to all text-specific resources, including a test bank and editable chapter-specific PowerPoint slides.

**From Gift to Commodity** Hildegard Hoeller, 2012 In this rich interdisciplinary study, Hildegard Hoeller argues that nineteenth-century American culture was driven by and deeply occupied with the tension between gift and market exchange. Rooting her analysis in the period's fiction, she shows how American novelists from Hannah Foster to Frank Norris grappled with the role of the gift based on trust, social bonds, and faith in an increasingly capitalist culture based on self-interest, market transactions, and economic reason. Placing the notion of sacrifice at the center of her discussion, Hoeller taps into the poignant discourse of modes of exchange, revealing central tensions of American fiction and culture.

**Perspectives on Deviance and Social Control** Michelle Inderbitzin, Kristin A. Bates, Randy R. Gainey, 2018-11-21 *Perspectives on Deviance and Social Control* provides a sociological examination of deviance and social control in society. Derived from the same author team's successful text reader version, this concise and student-friendly resource uses sociological theories to illuminate a variety of issues related to deviant behavior and societal reactions to deviance. The authors briefly explain the development of major sociological theoretical perspectives and use current research and examples to demonstrate how those theories are used to think about and study the causes of deviant behavior and the reactions to it. Focusing on the application rather than just the understanding of theory, the Second Edition offers a practical and fascinating exploration of deviance in our society.

*Teens Have Style!* Sharon Snow, Yvonne Reed, 2013-03-18 Authors Sharon Snow and Yvonne Reed present fashion as a way to offer a fun and interesting program for teens in the library and not just for girls. Today's fashion-savvy teenaged guys are just as likely to be eager participants. *Teens Have Style: Fashion Programs for Young Adults at the Library* provides an easy-to-follow template for creating popular programs within the public or school library setting that will capture the attention of most teenaged girls. In *Teens Have Style*, librarians will find programs they can adapt to their individual style or specific age range of their younger patrons, such as getting ready for the prom, making jewelry, decorating sneakers, creating a green outfit from recycled materials, and many more. All of the ideas are flexible and can be matched to other educational programs or to fit the library's needs, regardless of its size. For example, school librarians can partner with art teachers to

orchestrate a Fashion as Art program which challenges students to identify a painting that they like and then to create an outfit that reflects the style and feel of that work of art *Destination Christmas!* Laura Echols-Richter, Billy Echols-Richter, 1998 Help youth find true meaning in the Christmas season Through these exciting programs and meaningful practices youth will meet Jesus in a personal way Each program has a related practice which gives youth the opportunity to experience various traditions and celebrations related to the season In addition you will find a photocopyable weekly newsletter with devotional and bible study materials and journaling exercises to encourage youth in their spiritual life and in their attendance Use all programs and practices or pick and choose to fit your needs **The Catholic All Year Compendium** Kendra Tierney, 2018-10-19 If you have been wondering how to bring the rich traditions of the Catholic Church's liturgical year into your family life this is the book for you If you have no idea what the liturgical year is but you are looking for ways to bring your faith home from Sunday Mass in every season all year long this is the book for you too With wisdom and humor mother and blogger Kendra Tierney shares how her family celebrates Catholic seasons and feasts from Advent and Christmas through Lent and Easter to Pentecost and beyond She provides ideas for stories activities foods and decorations that will help you to celebrate your Catholic faith with your family and friends without expertise or much advance planning She also offers tips and survival tricks from her fifteen years in the Catholic mommy trenches about such challenges as bringing young children to Mass and saying a family Rosary Whether you're a convert or a revert or a lifelong Catholic a member of a big family or a small one a stay at home or a working parent you're sure to find ways to make your Catholic faith a memorable and meaningful part of your busy family life and have fun doing it **California. with the one who never made a move but is now drawing closer Then there is the one she never even met in her first life fighting his own quiet battles yet he keeps showing up as if fate refuses to let him remain a stranger And through it all Lauryn still tries to put herself last But as the universe tempts her with chances she never had before Lauryn begins to question everything she believed about this do over Was she sent back only to save her family or is she finally allowed to want something for herself Because the deal still stands And if saving others means breaking her own heart Lauryn may have to decide what this second chance is really for before time runs out
