AMERICA America is the land of the free and home of the brave At least this used to be how it was Now it is more like America is the land of the corrupt and home of the ignorant Here we have an uncontrollable disease of corruption at its finest WE THE PEOPLE are simply lacking knowledge or information of who we choose to elect for a government office Who we think we are voting for just from the looks or what conspires out of their very mouths but do we really know who they are in essence of how they qualify in a particular role of office In order to justify the means the book you are about to read will enlighten you as to whom is corrupt and for how long it has been into existence We will evaluate the circumstances to see why these events or things were corrupted out of revenge or sheer greed of money to gain power Some who are mentioned within this book are not so much corrupt but do hold a very thin line of being so The Constitution pertains to ALL Americans and especially government officials who were elected to make sure our rights are not trampled on regardless of race religion or place of origin Whenever these rights are continuously being abused by the representatives of our government then it surely is time for the Sleeping Giants MUST Awake Again America There has to be a big change within the entire government system It has to take place from city mayors governors legislation federal court system all the way up to the United States President Action speaks louder than words therefore what actions are taken by our congress people should be monitored closer by the people so our rights are upheld in an honorable fashion When outsiders other than American citizens are given our constitutional rights being illegal immigrates and then treason by fault of the U S government is in play IMPEACHMENT is in order to follow through immediately We can control the corruption if we discontinue the dynasties and take time to investigate whom we are going to vote for better When any candidate try to change any of the Constitution or Bill of Rights for their own personal needs it threatens the people of any age groups It dishonors our flag and country dishonors other political or religious organizations camouflaging misconduct by prejudice unexplainable expenses for diplomatic reasons while traveling parties while there is a crisis going on which requires their immediate attention or gives aid to the undeserving before their own kind Americans should be impeached immediately with no benefits herewith ALL must take drug test and have background checks The law is for everybody no exemption because you happen to be a politician Only you and I can hope to enforce these rules of conduct to have a better tomorrow and of

human decency for all Americans IMPEACH OUR FRAUDULENT PRESIDENT BARACK HUSSEIN OBAMA *Stealing from America* Nathan Miller,1996 Insider trading pork barrel projects and corrupt politicians may all sound contemporary but as Nathan Miller shows in this romp through the underbelly of history larceny and greed crossed the ocean with smallpox prospered in the New World and have become the bedrock of American politics In colonial New York and Charleston governors extended open hands to pirates that were gladly filled in exchange for a safe haven to unload booty The Revolutionary War was fought by ill equipped and hungry soldiers freezing on battlefields like Valley Forge while merchants and speculators sat down to sumptuous 169 dish dinners in Philadelphia their warehouses full of supplies they sold at 2 000 percent markups Even George Washington amassed one of the largest fortunes in America through highly dubious land speculation practices This thievery continued through the nineteenth century with land swindles and railroad giveaways that ripped off both Native Americans and settlers with the great robber barons men like Cornelius Vanderbilt who made nine million during the Civil War outfitting completely unseaworthy vessels for huge profits and with New York s Boss Tweed and his Forty Thieves Casting his seasoned eye over this century s boondoggles Nathan Miller uncovers the scams of Harding and the Teapot Dome in the twenties the New Deal World War II and the Cold War With Iran Contra HUD and the Savings and Loan debacle in tow the Reagan Bush legacy follows in grand tradition It promises to be remembered as one of the greatest eras of free for all plunder of the nation s coffers and threatens to put to shame in terms of dollars pocketed the money grabbing greed of its illustrious predecessors *Stealing from America* shows that greed more so than notions of democracy and freedom has been the fuel on which the engine of American government runs BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **America** ,1924 The Jesuit review of faith and culture Nov 13 2017 The Negro from Africa to America Willis Duke Weatherford,1924 Votescam: the Stealing of America James Collier,Kenneth Collier,1992-12-15 Votescam by James and Kenneth Collier recounts a fascinating and daring investigative reporting project to figure out how the American voting system works How can the outcome of elections be predicted so accurately by exit polls and how are the votes counted so fast Why is so much of the process secret This is the weirdest wildest and most astonishing nonfiction detective story of the 1990s an explosive investigation that tracks down confronts and names the Establishment crooks who elegantly steal the American vote for their own profit It comes face to face with a Supreme Court justice who rigged a vote fraud case the most powerful female publisher in America who won t let her newspapers and TV stations deal with vote rigging and a cast of politicians computer wizards professors lawyers newspeople aristocrats CIA operatives outraged citizens conspiracy buffs and crusaders involved in a scandal of unthinkable dimensions **Stealing America** Dinesh D'Souza,2015-11-17 1 New York Times bestselling Author Why Hillary Obama and the entire Democratic Party are no better than a gang of thieves In the fall of 2014 outspoken author and filmmaker Dinesh D Souza found himself hauled into federal court for improperly donating money to an old friend s Senate campaign D Souza pleaded

guilty and was sentenced to eight months in a state run confinement center There he lived among hardened criminals drug dealers thieves gangbangers rapists and murderers Now the bestselling author explains how this experience not only changed his life but fundamentally transformed his view of his adopted country Previously D Souza had seen America through the eyes of a grateful immigrant who became successful by applying and defending conservative principles Again and again D Souza made the case that America is an exceptional nation fundamentally fair and just In book after book he argued against liberalism as though it were a genuine movement of ideas capable of being engaged and refuted But his prolonged exposure to the criminal underclass provided an eye opening education in American realities In the view of hardened criminals D Souza learned America is anything but fair and just Instead it is a jungle in which various armed gangs face off against one another with the biggest and most powerful gangs inhabiting the federal government As for American liberalism it is not a movement of ideas at all but a series of scams and cons aimed at nothing less than stealing the entire wealth of the nation built up over more than two centuries the total value of the homes the lifelong savings of the people the assets of every industry and all the funds allocated to health and education and every other service both public and private The thieves I am speaking about want all of it And who are the leading figures in this historically ambitious scam that has turned the federal government into a vast and unprecedented shakedown scheme Why none other than Barack Obama and Hillary Clinton This pair of smooth talking con artists trained in the methods of radical activist Saul Alinsky have taken his crude but effective political shakedown techniques to a level even he never dreamed of Stealing America is an urgent wakeup call for all Americans who want to prevent this theft from being completed United States of America V.
