Sullivan The Scott Russells:

Sullivan and the Scott Russells John Wolfson, Louise Scott Russell, 1984 Arthur Darling George S. Emmerson, 1980

John Scott Russell George S. Emmerson, 1977 Biography of John Scott Russell 1808 1882 a prominent naval architect who was a partner with Brunel in building the Great Eastern steamship and made significant contributions to naval architecture He was born in Scotland but spent most of his career in England and died there The Routledge Handbook of Victorian Rebels Brenda Ayres, 2025-02-19 Although history records that the British nineteenth century was obsessed with order conventionality and conformity there were many Victorians from all walks of life across lines of class race and gender who resisted social mores and sometimes the laws themselves in a variety of ways and to varying degrees Some expressed dissension through music art literature and social protest Others were more subtle like manipulative wives who gained what they wanted while seemingly remaining docile and submissive Some rebellion fermented into social and political movements The revolt of still others was extremely executed by serial killers criminals and suicides Contemporary readers can learn from these rebels and discern what values and ways that were uniquely Victorian should be retained and those that should be rejected after having observed their outcomes To that end this collection of essays offers a study for both novice and expert on Victorian rebels

Nineteenth-Century British Music Studies Peter Horton, Bennett Zon, 2019-05-23 Originally published in 2003 and selected from papers given at the third biennial conference on Music in Nineteenth Century Britain this volume in common with its two predecessors reflects the interdisciplinary character of the topic The introductory essay by Julian Rushton considers some of the questions that are key to this area of study what is the nineteenth century what is British music and did London influence the continent The essays that follow are divided into broad thematic groups covering aspects of gender church music national identity and local and national institutions This collection illustrates that while nineteenth century British music studies is still in its infancy as a field of research it is one that is burgeoning and contributing to our understanding of British social and cultural life of the period

Georgina Weldon Joanna Martin, 2021 A fascinating account of the life of one of the most famous women of the Victorian era For more than a decade in the second half of the nineteenth century Georgina Weldon 1837 1914 was one of the most famous women in England Weldon was an exceptional self publicist intelligent and utterly convinced that she was always in the right A semi professional singer she came to prominence as a friend of the composer Charles Gounod Her husband s unsuccessful attempt to have her carried off to a lunatic asylum caused a public scandal and her subsequent efforts to drag her enemies through the law courts were widely reported Weldon s resistance to being certified insane and her unceasing legal claims for defamation and or loss of earnings contributed to changes in laws relating to private asylums and vexatious litigation Weldon sang in drawing rooms and concert halls and on the music hall stage She lectured on women s rights and law reform The most notorious female plaintiff and probably the first married woman to represent herself in court she advised many of her fellow litigants at a time

when women were not permitted to practise law professionally Her campaigns brought her notoriety and two gaol sentences Joanna Martin expertly retells the story of that notorious Victorian eccentric who suffered many bouts of delusion and was an ardent supporter of spiritualism Martin s account manages to negotiate a biography situated between crazed behaviour and the pursuit of admirable causes Weldon s story offers a wide canvas introducing phenomena such as celebrity culture and major and marginal characters of Dickensian quality This biography of Weldon based on primary sources including Weldon s own diaries and letters therefore touches upon a wide variety of issues Victorian society nineteenth century s women s history the context of a social and cultural history of madness and marriage law and nineteenth century British musical culture
