JUDITH HERMANN

Summerhouse Later

Henry Wadsworth Longfellow

Summerhouse Later:

Summerhouse, Later Judith Hermann, 2003-04-01 In nine luminous stories of love and loss loneliness and hope Judith Hermann's stunning debut collection paints a vivid and poignant picture of a generation ready and anxious to turn their back on the past to risk uncertainty in search of a fresh if fragile equilibrium An international bestseller and translated into twelve languages Summerhouse Later heralds the arrival of one of Germany's most arresting new literary talents A restless man hopes to find permanence in the purchase of a summerhouse outside Berlin A young girl trapped in a paralyzing web of family stories and secrets finally manages to break free A granddaughter struggles to lay her grandmother's ghosts to rest A successful and simplistic artist becomes inexplicably obsessed with an elusive and strangely sinister young girl Against the backdrop of contemporary Berlin possibly Europe's most vibrant and exhilarating city Hermann's characters are as kaleidoscopic and extraordinary as their metropolis united mostly in a furious and dogged pursuit of the elusive specter of living in the moment They're people who in one way or another constantly challenge the madness of the modern world and whose dreams of transcending the ordinary for that narrow strip of sky over the rooftops are deeply felt and perfectly rendered

German Women Writers and the Spatial Turn: New Perspectives Carola Daffner, Beth A. Muellner, 2015-07-01 In the last few decades the phrase spatial turn has received increased attention in German Studies inspired by developments within the discipline of geography The volume *German Women Writers and the Spatial Turn New Perspectives* engages the analytical category of space and the spatial turn in the context of German women's writing The collection of essays divides its discussion of spatiality in German literature into sections that reflect privileged sites within the current scholarly debates around space Essays look to such issues as environmentalism globalization migration and immigration concerns of belonging points of encounter spaces and places of mobility topographies of departure and arrival movement motion or shifting identities *German Women Writers and the Spatial Turn New Perspectives* continues the challenge to understand the representation of space and place in German language texts by focusing on how spatial theory figures into the realm of feminist thinking and writing

Domestic Disputes Necia Chronister, 2021-02-08 *Domestic Disputes* is the first monograph in German studies to offer a critical examination of the home ownership crisis in the former East Germany that resulted from unification policy taking as its focus news media made for television movies cinematic releases and prose fiction that depict property disputes between former East and West Germans In the cultural productions discussed in this book anxieties about social disenfranchisement through unification policy are dramatized in narratives in which Westerners acquire or attempt to acquire property in the former East Germany Each chapter addresses a different type of narrative that has emerged to frame those anxieties including those of neocolonial Western takeover the engagement with difficult family histories masculinity crises in the West and the corporatization of home *Domestic Disputes* is the first book length study to outline the way in which homes were awarded to individuals and families as the former East Germany privatized and to offer in depth
