

# Summers Legacy

**Harvey Toliver Cook**

## **Summers Legacy:**

**The Promise** Jonathan Alter, 2010-05-18 Barack Obama's inauguration as president on January 20, 2009 inspired the world. But the great promise of Change We Can Believe In was immediately tested by the threat of another Great Depression, a worsening war in Afghanistan, and an entrenched and deeply partisan system of business as usual in Washington. Despite all the coverage, the backstory of Obama's historic first year in office has until now remained a mystery. In *The Promise: President Obama, Year One*, Jonathan Alter, one of the country's most respected journalists and historians, uses his unique access to the White House to produce the first inside look at Obama's difficult debut. What happened in 2009 inside the Oval Office? What worked and what failed? What is the president really like on the job and off hours, using what his best friend called a Rubik's Cube in his brain? These questions are answered here for the first time. We see how a surprisingly cunning Obama took effective charge in Washington several weeks before his election, made trillion-dollar decisions on the stimulus and budget before he was inaugurated, engineered colossally unpopular bailouts of the banking and auto sectors, and escalated a treacherous war not long after settling into office. *The Promise* is a fast-paced and incisive narrative of a young risk-taking president carving his own path amid sky-high expectations and surging joblessness. Alter reveals that it was Obama alone, feeling lucky, who insisted on pushing major health care reform over the objections of his vice president and top advisors, including his chief of staff Rahm Emanuel, who admitted that he begged him not to do this. Alter takes the reader inside the room as Obama prevents a fistfight involving a congressman, coldly reprimands the military brass for insubordination, crashes the key meeting at the Copenhagen Climate Change conference, and realizes that a Senate candidate's gaffe about baseball in a Massachusetts special election will dash the big dream of his first year. In Alter's telling, the real Obama is an authentic, demanding, unsentimental, and sometimes overconfident leader. He adapted to the presidency with ease and put more points on the board than he is given credit for, but neglected to use his leverage over the banks and failed to connect well with an angry public. We see the famously calm president cursing, leaking, playfully trash-talking his advisors, and joking about even the most taboo subjects, still intent on redeeming more of his promise as the problems mount. This brilliant blend of journalism and history offers the freshest reporting and most acute perspective on the biggest story of our time. It will shape impressions of the Obama presidency and of the man himself for years to come.

**Leaders in the Crossroads** Stephen James Nelson, 2009-09-16 This book considers two intriguing issues. One is an exploration of the characteristics that determine success and failure in the academy's top post. The second is more complex but equally crucial: What is the impact of presidents on the ideals of the university? How do presidential leadership rhetoric and action connect to the fundamental beliefs and values at the foundation of the university? College presidents are noteworthy leaders in and outside the gates. Deliberations about the success and failure of presidents and their obligation to the foundations of the academy generate more questions than answers. However, this inquiry is crucial because it sheds light on the college presidency and on its

relationship to the future of the university     *Castles in Spain* Constance Farmar,1907     **Findagroov™ Reviews The Songs Of... Donna Summer** Tony Madison II, This one is for music lovers This entry in the Findagroov Reviews The Songs Of series examines the music of the late Queen Of Disco Donna Summer Covering all of her recorded songs from the late sixties up until her passing in 2012 this book provides deep discussions on each song looking at the lyrics the song s meaning and its significance both when originally recorded and how it applies to today s society It also illustrates how Donna Summer was much more than just a disco queen as her music ran the gamut from soul funk off Broadway German rock pop country new wave reggae rock gospel soundtrack and of course disco The book also covers guest appearances on other artists songs as well as live recordings broadcast performances and other rarities     *The Pottleton Legacy* Albert Smith,1849     [A Grandfather's Legacy](#) William Wilson Corcoran,1879     [Mary Boyle](#) Mary Louisa Boyle,1902     *A Legacy* Dinah Maria Mulock Craik,1878     **A Legacy** John Martin,1878     [The Legacy of Reaganomics](#) Charles R. Hulten,Isabel V. Sawhill,Urban Institute,1984     [Red Summer](#) Cameron McWhirter,2011-07-19 A narrative history of America s deadliest episode of race riots and lynchings After World War I black Americans fervently hoped for a new epoch of peace prosperity and equality Black soldiers believed their participation in the fight to make the world safe for democracy finally earned them rights they had been promised since the close of the Civil War Instead an unprecedented wave of anti black riots and lynchings swept the country for eight months From April to November of 1919 the racial unrest rolled across the South into the North and the Midwest even to the nation s capital Millions of lives were disrupted and hundreds of lives were lost Blacks responded by fighting back with an intensity and determination never seen before Red Summer is the first narrative history written about this epic encounter Focusing on the worst riots and lynchings including those in Chicago Washington D C Charleston Omaha and Knoxville Cameron McWhirter chronicles the mayhem while also exploring the first stirrings of a civil rights movement that would transform American society forty years later     **Aunt Janet's Legacy to Her Nieces** Janet Bathgate,1894     *Wesley's Legacy to the World* John Ernest Rattenbury,1928     **The Life and Legacy of David Rogerson Williams** Harvey Toliver Cook,1916     **Laws of the State of New York** New York (State),1875     [The Legacy of the Golden Key](#) William Herbert Brown,1914     *The veiled picture; or, The wizard's legacy* Elizabeth J.
