## Summertime Blues:

Billboard ,1994-07-09 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **100 Greatest Cover Versions** Robert Webb,2013-07-15 Which Blondie Top Five was originally a flop for a West Coast power pop band Who wrote Alice Cooper's 1973 hit Hello Hurray and which folk singer first recorded it Who launched their career with a tear and a cover of a little known Prince song Where was Joe Cocker sitting when he came up with the idea of covering With a Little Help from my Friends Everybody likes a good song and a good story The 100 Greatest Cover Versions traces the histories of some of the great songs you may know only as second hand recordings and explores some unusual and creative takes on a few of pop's well known tracks Based on the Independent's popular long running Story of the Song column this collection features previously unpublished pieces alongside fully expanded updated stories Robert Webb details the background to each song how it was written who first recorded it and how it came to be covered and explains how in some cases the cover version has become more popular than the original Artists range from Patti Smith to the Happy Mondays David Bowie to Florence the Machine and Stevie Wonder to Robert Wyatt The book also includes additional further listening suggestions and a bonus track Whether you download rip from CD or stream your music the Ultimate Playlist series provides the perfect accompaniment to your personal compilation The series aims to guide listeners through large and often bewildering back catalogues of the major artists as well as key genres and styles in popular music If you love music and you enjoy knowing more about the history behind some of pop's greatest songs then you will love this book Song Interpretation in 21st-Century Pop Music Ralf von Appen,André Doehring,Allan F. Moore,2016-03-03 Existing books on the analysis of popular music focus on theory and methodology and normally discuss parts of songs briefly as examples The impression often given is that songs are being chosen simply to illuminate and exemplify a theoretical position In this book the obverse is true songs take centre stage and are given priority The authors analyse and interpret them intensively from a variety of theoretical positions that illuminate the song Thus methods and theories have to prove their use value in the face of a heterogeneous contemporary repertoire The book brings together researchers from very different cultural backgrounds and encourages them to compare their different hearings and to discuss the ways in which they make sense of specific songs All songs analysed are from the new millennium most of them not older than three years Because the most widely popular styles are too often ignored by academics this book aims to shed light on how million sellers work musically Therefore it encompasses a broad palette highlighting mainstream pop Lady Gaga Ke ha Lucenzo Amy McDonald but also accounting for critically acclaimed indie styles Fleet Foxes Death Cab for Cutie PJ Harvey R B Destiny's Child Janelle Monae popular hard rock Kings of Leon Rammstein and current electronic music Andr's Bj rk By concentrating on 13 well known songs this book

offers some model analyses that can very easily be studied at home or used in seminars and classrooms for students of popular music at all academic levels

**Capsule Overviews of Favorite Albums** Martin Winfree, 2025-02-12 The hundreds of albums that I salvaged from Hurricane Katrina are gradually being passed along to a friend and the paragraphs that I gave him along with the first 399 LPs provide the genesis for Capsule Overviews of Favorite Albums I have written the stories behind the albums and the recording artists along with commentary on particular songs and other works by the same recording artists My goal is to flesh out information on the greatest music ever recorded particularly for younger people who didn't grow up with these records While not comprehensive the sections in the book give a good overview of the rock music scene over the past half century or so along with musicians in other genres that appeal to me *Eddie Cochran: In Person!*

Lee Bullman, 2023-12-19 In the golden era of rock n roll there was one name who rivaled Elvis Presley both in style and talent Eddie Cochran In his short 21 years Eddie Cochran changed the face of music forever despite his life being cut tragically cut short when he died in a car crash on his 1960 tour of England Born in a small town in Minnesota to humble beginnings Eddie unleashed a wave of raw talent and energy that defied the norms of the era becoming a trailblazer of the rockabilly sound and look His smash hits Summertime Blues C mon Everybody and Three Steps to Heaven are still entertaining audiences and being covered by musicians today some sixty years after they were first recorded Cochran's guitar style and songwriting not only landed him in the Rock and Roll Hall of Fame it has influenced nearly every major rock n roll musician from Paul McCartney and Marc Bolan to Bruce Springsteen and Joan Jett Eddie Cochran In Person not only details the life and career of a rock n roll icon it tells the extraordinary story of how a collector came into possession of the contents of Eddie's childhood bedroom which had remained undisturbed and unseen by anyone outside of the Cochran family since his death Cochran's fascinating story lavishly illustrated with personal mementos scrapbooks and even a mockup of his never released second album all thought lost for more than sixty years as well as exquisite performance and portrait photography paints a picture of what it was like to be a rock n roll superstar on a meteoric rise NEVER BEFORE SEEN COLLECTOR'S PIECES All the images and ephemera collected in this book are being published for the first time ONE OF A KIND Eddie Cochran In Person is the first photographic biography to chronicle the life and times of Eddie Cochran immortalizing the artist in stunning high resolution photos and ephemera BEST SELLING AUTHOR Lee Bullman Blowback Twenty Sixteen provides expert insight into the life and times of Eddie Cochran giving an intimate glimpse into the man behind the music **Summertime blues** Diego Prado, 2021

global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about **Tid-bits** ,1886
