Summon The Keeper

Sir Peter Jeffrey Mackie (bart.)

Summon The Keeper:

Summon the Keeper Tanya Huff, 1998-05 Being one of Earth's protectors is never easy but when Claire the Keeper and Austin the cat find themselves in charge of the Elysian Fields Guesthouse Bed and Breakfast all Hell breaks loose in the form of a gateway residing in the basement

The Second Summoning Tanya Huff, 2025-10-14 Just when saving the world got fun again Keeper Claire Hansen's job has never been better There are still rips in the fabric of the universe for her to repair disasters to avert memories to adjust But it's far pleasanter with a handsome funny Bystander driving Claire and her talking cat through the sleet and snow in a warm truck reminding her to eat occasionally As long as she can keep him safe Dean is better than loveable he's great company Except Claire knows she can't keep him safe and it's her duty as a Keeper to refuse his great company along with everything else he's offering Which is Keeper speak for reluctantly dumping his admittedly amazing ass et al and continuing on her own But the Powers That Be have other ideas and next thing they know their uh reunion has resulted in an Angel and Demon running around Ontario with a few additions to their traditionally genderless anatomy One agent of cosmic chaos would be bad two is terrifying Add in the way Claire's equally chaotic teenage sister is interfering and this might be the battle of the sexes that ends it all *The Keeper's Companion, Vol. 1* Keith Herber, 2003-09

CALL OF CTHULHU ROLEPLAYING The Keeper's Companion is an invaluable resource for gamemasters The material includes advice for new keepers a lengthy study of Mythos artifacts a learned discussion of many occult books an up to the moment description of every facet of forensic medicine a thorough revision and expansion of the game skills including nearly two dozen new ones and the entire text of The Keeper's Compendium somewhat updated forbidden books secret cults alien races and mysterious places Additional short essays and features round out this book more than 100 000 words
