

Sun In My Eyes

David Brewster

Sun In My Eyes:

With the Sun in My Eyes Mikaya Heart, 2008-12 This unusual book illustrates the life and wisdom of the Northwest healer and psychic Char Sundust Mikaya Heart was asked to write this book by Char on the instructions of the spirits who are always at Char's side offering invaluable advice For two years Mikaya followed Char around everywhere she went re-visiting her childhood haunts and delving into her shamanic healing work A skilled interviewer she spent many hours with Char's family friends students and clients gleaning in depth information then spinning this into a gripping narrative Char was trained in Native American shamanic healing methods from the age of fifteen and as a young adult she quickly began to heal others radiating love and light Now she does psychic readings to help people access the full potential of life she does house blessings which involve cleansing the energy of a space removing stuck energy that might be manifesting in the form of ghosts poltergeists or simply unpleasant vibrations and she does soul retrievals which are about re-uniting an individual with parts of herself that she may have lost as a result of traumas on life's journey Her greatest gift is being able to recognize and shift old outmoded energy that is attached to people things or places Mikaya has been able to describe in detail the extraordinary healing that occurs in Char's work with vivid concrete details of the different realms entities power animals energies archetypes and spirits that Char relates to on a daily basis This is not only a delightful adventure story it is also educational chronicling in detail how healing of all kinds can be addressed on levels other than the physical Char is a particularly gifted psychic but all human beings can access a sense of the vastness of all that is to a greater or lesser degree and can choose to work with that sense fine tuning it to specifics Everything that we see as solid was in the form of pure energy before it became visible to our physical eyes This book explains in clear detail how one healer learned to work in the arena of energy to change what is being manifested Others can follow in her path or make their own Even for those who choose not to be healers the understanding that the world of physical form is only a tiny portion of what is occurring around us is profoundly life enhancing You cannot read this book without realizing that the potential of being human is huge and the ability to choose joy lies within us all

Letters on Natural Magic David Brewster, 1883 *The Sun, the Moon, the Stars and Maya* Rich Okun, 2013-04 *The Sun the Moon the Stars and Maya* is very different kind of book in a unique format and richly textured with over 90 full color original illustrations and is one of those truly rare books that can be enjoyed equally by a child and a grown up and most of all both a child and adult together This book will surprise and delight you and your family and makes the perfect gift Our lives are bombarded with things that can take us away from the special connections we are capable of Each of us has the ability to demonstrate love compassion gratitude and generosity We can choose to live our lives by the Golden Rule We can make time to appreciate the exquisite construction of our planet and experience the joys of nature We can look toward the star spangled heavens appreciate the velvet silence and draw peace from spirituality We have the ability to find beauty in simplicity and we can marvel at the complexity of what at first glance appears deceptively simple

Many of us have just forgotten how In today s busy electronics oriented world dominated by distractions special effects and noisy shoot em ups simple earth based spiritual and moral issues have been effectively obscured from view and buried in the smoky haze of the fiery explosion of computer generated images The Sun the Moon the Stars and Maya was created to help families discuss important issues with their children Illustrations of Maya the Shih Tzu puppy muse in complementary settings accompany bits of wisdom relating to spiritual and moral issues Notable quotations are the inspiration for Maya s simple language lyrical interpretations meant to evoke awe and wonder in all things and capture the imagination of the child and the child within the parent Access to downloadable hi resolution downloads and audio readings online and so much more are also granted with your purchase
