**Murder Most Rare** Michael D. Kelleher, C. Kelleher, 1998-02-28 While the short lethal careers of serial killers such as Jeffrey Dahmer and Andrew Cunanan terrorize the public and provide morbid inspiration for the entertainment industry few people realize that it is the female serial killer seldom heard of who deserves most to be feared Murder Most Rare provides startling information about the female serial murderer who is shown to be far more deadly and determined difficult to apprehend and complexly motivated than her male counterpart While serial murder by women is relatively rare a surprising number of female serial killers are identified by the authors nearly 100 in this century with half of them having committed their crimes in America By examining these women s backgrounds motives and methods of killing the book sheds new light on dozens of overlooked cases of murder and uncovers callous crimes and passions gone awry After a thought provoking exploration of the cultural biases that have caused us historically to dismiss and ignore the criminal potential of women Murder Most Rare divides female serial murders for the first time into seven categories Black Widow Angel of Death Sexual Predator Revenge Profit or Crime Team Killer and

Question of Sanity These seven types vary widely in motivation choice of victims weapons and methods The authors reveal patterns that occur within the types but stress that the complicated nature of these women s crimes makes personality profiling almost impossible a fact that causes the jobs of homicide investigators to be difficult indeed sometimes impossible This is a uniquely personal look into a dark shocking world **Bell, Book, and Murder** Rosemary Edghill,2014-08-12 Rosemary Edghill cast a keenly observant friendly yet faintly amused eye on an intriguing American micro culture The Bast novels offer a very new view of the practitioners of a very old faith Edghill allows that there s still magic in the air Rosemary Edghill s Bast novels are a real treat Bell Book and Murder contains all three Bast novels Speak Daggers to Her Book of Moons and The Bowl of Night excerpted in USA Today At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Murder on a Lonely Road* Beth Hundsdorfer,George Pawlaczuk,2012-09-04 A brutal murder that shocked residents of Missouri and a killer it took 25 years to bring to justice On June 17 1985 twenty year old beauty pageant winner Jackie Johns s car was found abandoned the interior drenched in blood Four days later her bludgeoned nude body was found floating in a nearby lake Sheriff Dwight McNiel vowed to catch Jackie s killer however long it took His prime suspect local rich kid Gerald Carnahan But despite suspicions the evidence never managed to add up and Carnahan slipped away again and again Throughout the next two decades multiple other women went missing some murdered some never found Fearful residents believed that a murderous bogeyman was connected to all these crimes Carnahan s conviction on the attempted kidnapping charge of another young woman brought his name into the mix over and over again but all of the cases remained unsolved for decades until a highway patrol sergeant sent DNA from the Jackie Johns s murder for testing and came up with a quadrillions to one match to Carnahan This is the true account of a murderer who thought he was beyond punishment and the lawmen who would not relent until justice was finally done **Looking Back in Crime** James O.
