Scott Pitoniak

Syracuse Football Story:

Syracuse University Football Scott Pitoniak,2003-06 It began with a 36 0 loss to the University of Rochester on November 23 1889 but that humbling debut proved to be an aberration rather than an omen for Syracuse University football The Orangemen have since established themselves as the eleventh winningest team in college football history and more than two hundred of their players have gone on to play professionally Their legendary success is celebrated in Syracuse University Football The Orangemen have participated in more than twenty bowl games In 1959 they went 11 0 under Hall of Fame coach Ben Schwartzwalder and won the national championship Through the years Syracuse has produced numerous stars such as Heisman Trophy winner Ernie Davis and more than forty other All Americans and a dozen College Football Hall of Fame inductees Along with Jim Brown and Floyd Little Davis helped make No 44 one of football s most famous jerseys not to mention a permanent part of the university s zip code Syracuse University Football documents this outstanding program with nearly two hundred photographs

Leveling the Playing Field David Marc,2015-07-22 *Leveling the Playing Field* tells the story of the African American members of the 1969 70 Syracuse University football team who petitioned for racial equality on their team The petition had four demands access to the same academic tutoring made available to their white teammates better medical care for all team members starting assignments based on merit rather than race and a discernible effort to racially integrate the coaching staff which had been all white since 1898 The players charges of racial disparity were fiercely contested by many of the white players on the team and the debate spilled into the newspapers and drew protests from around the country Mistakenly called the Syracuse 8 by media reports in the 1970s the nine players who signed the petition did not receive a response allowing or even acknowledging their demands They boycotted the spring 1970 practice and Coach Ben Schwartzwalder a deeply beloved figure on campus and a Hall of Fame football coach nearing retirement banned seven of the players from the team As tensions escalated white players staged a day long walkout in support of the coaching staff and an enhanced police presence was required at home games Extensive interviews with each player offer a firsthand account of their decision to stand their ground while knowing it would jeopardize their professional football career They discuss with candor the ways in which the boycott profoundly changed the course of their lives In *Leveling the Playing Field* Marc chronicles this contentious moment in Syracuse University s history and tells the story through the eyes of the players who demanded change for themselves and for those who would follow them
