Systematic Theology Vol 2:

Systematic Theology Robert W. Jenson, 1999-08-19 Systematic Theology is the capstone of Robert Jenson's long and distinguished career as a theologian being a full scale systematic dogmatic theology in the classic format This is the second and concluding volume of the work Here Jenson considers the works of God examining such topics as the nature and role of the Church and God's works of creation

Systematic Theology, Volume 2 Katherine Sonderegger, 2020-11-03 Katherine Sonderegger follows her monumental volume on the doctrine of God with this second entry of her Systematic Theology which explores the doctrine of the Holy Trinity Locating her analysis first in the Hebrew Scriptures Sonderegger examines the thrice holy God that is proclaimed to Isaiah in the sanctuary and manifested in the sacrifice of the temple The book of Leviticus read in conversation with Exodus unfolds the doctrine of the Trinity under the character of holiness In the one God Trinity speaks of the life movement and self offering of God who is the eternal procession of goodness and light In Israel's sacrificial covenant the triune God is perfect self offering the eternal descent of the Father of Lights is the offering who is Son eternally received and hallowed in the one who is Spirit Anchoring the theology of the Trinity in Israel's Scriptures in this way elevates the processions over the persons exploring the mystery of the Divine Life as holy rational and good The Divine Persons named in the New Testament cannot be defined but may be glimpsed in the notion of perfection a complete and perfect infinite set In all these ways the Holy Trinity may be praised as the deep reality of the life of God

Systematic Theology: Volume Two Paul Tillich, 2013-12-27 The second volume of the eminent Christian philosopher's magnum opus in which he explores humanity's quest for Christ Paul Tillich's Systemic Philosophy is the most comprehensive and definitive presentation of his groundbreaking theological message his method of correlation which finds the answers to humanity's most urgent existential dilemmas in the principles of Christian revelation In volume two of this three volume work Tillich comes to grips with the central idea of his system the doctrine of the Christ Here Tillich describes the human predicament as the state of estrangement from ourselves from our world and from the divine Ground of Being This situation drives us to the quest for a new state of things in which reconciliation and reunion conquer estrangement This is the quest for the Christ

Systematic Theology, Volume 2, Second Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the

Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *Systematic theology, Volume 2, vol. 2* Pannenberg, 1994 **Reformed Systematic Theology, Volume 2** Joel Beeke, Paul M. Smalley, 2020-11-16 The aim of systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley shift from the doctrine of God theology proper to the doctrine of humanity anthropology and the doctrine of Christ Christology This extensive reformed theology explores the Bible's teaching about who we are and why we were created as well as who Jesus is and why his divinity is essential to the Christian faith **Systematic theology. students scholars and lay believers all over the world have relied heavily upon Strong's work since the day it went to print. Strong's Systematic Theology is so exhaustive and thorough that from the beginning it required being subdivided into three major volumes: The Doctrine of God, The Doctrine of Man, and The Doctrine of Salvation. Defender Publishing is proud to republish this extraordinary 3 Volume masterpiece as a resource and study tool for scholars and all students of the Bible that their lives and faith may be thoroughly equipped for every good work. 2 Tim 3:17. *Systematic Theology* Dr. Norman L. Doctrine James Wm. McClendon Jr., 2011-07-01. Christian doctrine, McClendon tells us, is no laundry list of propositions to be believed but is rather an essential practice of the church. Doctrines are those shared convictions which the church must teach and live out if it is to be the church. The author rejects the prevailing assumptions stemming from the rationalism of the Enlightenment and redefines theology as a discipline within the context of particular religious beliefs and practices of concrete believing communities. McClendon ties the reading of Scripture to the community's understanding of itself and its own mission. *Systematic Theology* Charles Hodge, 2023-04-13.
