Tailor And Ansty:

The Tailor and Ansty Eric Cross, 1970 A modern Irish classic about the irrepressible Tailor and his wife Ansty The models for the book were an old couple who lived in a tiny cottage on a mountain road to the lake at Gorigane Barra *The Tailor and Ansty* Eric Cross, 1942 The Tailor and Ansty. [Fireside Talks by Buckley the Tailor and His Wife, Anastasia Eric Cross (Author of "The Tailor and Ansty".), 1942 Irish Writing in the Twentieth Century David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into **Irish Studies: Volume 1** P. J. Drudy, 1980 My Father's Son Frank O'Connor, 1999-03-01 O Connor is a young writer struggling to find his place and his voice in a profoundly changed Ireland Gradually he begins to establish a formidable reputation Guests of the Nation and The Saint and Mary Kate belong to this period The excitement of the Irish literary renaissance is made immediate as O Connor tells of his friend the poet George Russell who was the first to publish his work and of his participation in the triumphs and rivalries of the Abbey Theatre Here beautifully rendered are playwrights Lady Gregory J M Synge Lennox Robinson and Sean O Casey Central to the book as he was to O Connor's life and work is the complex and majestic figure of William Butler Yeats The memoir ends with Yeats's death and with it O Connor's realization that he can no longer divide his talent between his job and his passion He begins at last his life as a writer Frank O'Connor Maurice Wohlgernter, 1977 **A Poet's Country** Patrick Kavanagh, 2003-03-12 While Patrick Kavanagh 1904-67 was above all a poet for most of his writing life he was a prolific producer of critical and autobiographical prose Work for newspapers and magazines was often his main source of income and provided him with a necessary outlet for his views on the writers of his time and past times on the spiritual function of poetry and on his own background and experiences as an isolated genius impoverished sometimes ostracized and surrounded as he saw it by mediocrity The prose complements the poetry telling us things about Kavanagh that the poems do not tell This is the first authoritative gathering of the shorter prose writings Edited and introduced by Antoinette Quinn Kavanagh's leading interpreter and biographer A Poet's Country Selected Prose

supplants the earlier inadequate 1967 Collected Prose which contained material already available elsewhere and focused on later writings at the expense of work from the vital decades of the thirties and forties *A Poet's Country* is both a reliable scholarly edition and an immensely readable entertaining collection It contains the essential shorter prose works from throughout Kavanagh's career the legendary autobiographical pieces and rural reminiscences and a thorough selection of Kavanagh's penetrating sometimes scabrous literary and cultural criticism Its verve and musicality poignancy and pitch rage and glory expresses as no other the voice of rural Ireland

Passions of the Earth in Human Existence, Creativity, and Literature Anna-Teresa Tymieniecka, 2012-12-06 Literature reveals that the hidden strings of the human passionate soul are the creative source of the specifically human existence Continuing the inquiry into the elemental passions of the soul and the Human Creative Soul pursued in several previous volumes of this series the present volume focuses on the passions of the earth bringing to light some of the primordial existential threads of the innermost bonds of the Human Condition and mother earth In Tymieniecka's words the studies purpose to unravel the essential bond between the living human being and the earth a bond that lies at the heart of our existence A heightened awareness of this bond should enlighten our situation and help us find our existential bearings

Saints, Scholars, and Schizophrenics Nancy Scheper-Hughes, 2001-01-03 *Saints Scholars and Schizophrenics* in its original form now integrally reproduced in the new edition is a most important seminal study of an Irish community

Conor Cruise O'Brien *Frank O'Connor* Jim McKeon, 1998 Frank O'Connor's enormous literary success is all the more remarkable given that he was born and brought up in the slums of Cork his childhood marked by poverty and illness In 1928 he set off for the excitement of Dublin where he became great friends with W B Yeats Lady Gregory and George Russell After the success of his first book *Guests of a Nation* O'Connor was unstoppable As well as writing plays short stories criticism and poetry he became the director of the legendary Abbey Theatre He continued to write even when illness forced him to give up all else Much of what he wrote however was banned due to Irish censorship laws and so he decided to broaden his horizons in America There his success was huge but short lived illness forced his return to Ireland for good where he died in 1966 Today more than three decades after his death Frank O'Connor's works are as popular as ever Jim McKeon's thoughtful portrait will surely be welcomed by all admirers

Frank O'Connor William M. Tomory, 1980 **The Journeyman** Éamon Kelly, 1998 The concluding part of the autobiography of the great actor storyteller and seanchai

The New York Times Book Review, 1969-10 *The Bell*, 1945 *Parsons Bookshop* Brendan Lynch, 2006 For forty years from 1949 to 1989 Parsons Bookshop was a Dublin literary landmark and meeting place Situated on the crest of Baggot Street's Grand Canal Bridge it defined the Bohemian quarter of writers and artists known as Baggotonia It played a major role in Ireland's literary and cultural development In this affectionate chronicle of a very special establishment Brendan Lynch describes the Dublin literary and artistic scene from the fifties to the eighties With numerous anecdotes stories and personal reminiscences about some of Ireland's greatest literary figures Parsons Bookshop provides a

warm and amusing account of life in Bohemian Dublin The Diary of an Irish Countryman 1827-1835 Humphrey O'Sullivan, Tomás De Bhaldraithe, 1993 Between 1827 and 1835 Humphrey O Sullivan kept a diary of his life in Co Kilkenny He was a hedge school master like his father but went on to become a prosperous businessman and philanthropist No aspect of life escaped his attention from the poverty and degradation of the peasantry to the flora and fauna of the region
