

# Taiwan Political History

**Shelley Rigger**

## **Taiwan Political History:**

**Taiwan** Denny Roy, 2003 For centuries various great powers have both exploited and benefited Taiwan shaping its multiple and frequently contradictory identities Offering a narrative of the island's political history the author contends that it is best understood as a continuous struggle for security *The History of Taiwan* Xiaobing Li, 2019-10-25 This one volume handbook explores the history of Taiwan from its prehistory to its Japanese colonization to its tumultuous relationship with China in the 21st century This addition to the Greenwood Histories of the Modern Nations series focuses on significant events in the history of Taiwan from ancient history to the present Following the general series format the book opens with the series foreword and a chronology of key events in Taiwan's history Eleven chapters follow with half of the book focusing on the modern historic events that occurred post World War II Chapters examine topics and eras including Pre history and Early Civilization to 1100 Formosa The Dutch Colony 1622 1662 Cold War Island Conflicts and Control 1950 1972 and Democratization and Independence Movement 1996 2004 A glossary of terms and annotated bibliography rounds out the work making it an ideal resource for high school and undergraduate students as well as general readers who are looking for an introduction to Taiwan's history *Taiwan: A New History* Murray A. Rubinstein, 2024-11-01 This book explores Taiwan's development from its formal beginnings as a political entity to a home for a Ming loyalist regime to a Ching prefecture and province to its half century as a Japanese possession and to fifty years as the home of the Kuomintang controlled Republic of China **Taiwan's Political Re-Alignment and Diplomatic Challenges** Wei-chin Lee, 2018-05-09 This edited volume investigates and evaluates the context causes and consequences of various essential issues in Taiwanese domestic politics and external relations before and after the regime change in 2016 It offers theoretical interpretation and temporal delineation of recent electoral shifts party realignment identity reformulation and subsequent foreign policy adaptation in the 2010s Contributors address these issues in three sections Democracy and New Political Landscape The China Factor and Cross Strait Dilemma and Taiwan's International Way out to advance conclusions about Taiwan's political transformation from both comparative and international perspectives *Taiwan Under Japanese Colonial Rule, 1895-1945* Ping-hui Liao, David Der-wei Wang, 2006-11-07 The first study of colonial Taiwan in English this volume brings together seventeen essays by leading scholars to construct a comprehensive cultural history of Taiwan under Japanese rule Contributors from the United States Japan and Taiwan explore a number of topics through a variety of theoretical comparative and postcolonial perspectives painting a complex and nuanced portrait of a pivotal time in the formation of Taiwanese national identity Essays are grouped into four categories rethinking colonialism and modernity colonial policy and cultural change visual culture and literary expressions and from colonial rule to postcolonial independence Their unique analysis considers all elements of the Taiwanese colonial experience concentrating on land surveys and the census transcolonial coordination the education and recruitment of the cultural elite the evolution of print culture and national literature the effects of subjugation coercion

discrimination and governmentality and the root causes of the ethnic violence that dominated the postcolonial era The contributors encourage readers to rethink issues concerning history and ethnicity cultural hegemony and resistance tradition and modernity and the romancing of racial identity Their examination not only provides a singular understanding of Taiwan s colonial past but also offers insight into Taiwan s relationship with China Japan and the United States today Focusing on a crucial period in which the culture and language of Taiwan China and Japan became inextricably linked Taiwan Under Japanese Colonial Rule effectively broadens the critique of colonialism and modernity in East Asia The Taiwan Political Miracle John Franklin Copper,1997-02-20 Much has been written about the Taiwan miracle referring to the extremely successful widely praised and often emulated economic development of the Republic of China Less has been written about Taiwan s political development which in the past dozen or so years has been even more dramatic in many ways In just three to four decades the Republic of China s polity has been transformed from an authoritarian closed system to a democracy It did this without a contributing colonial experience and while living under the threat of invasion This book assesses Taiwan s political modernization during a period when political change in Taiwan was remarkable both for its pace and for its impact on Taiwan s polity During this time Taiwan became a paradigm for success in political modernization Internal political reform was the most salient part of the modernization process Elections likewise played an essential role Finally an effective foreign policy facilitated the process and vice versa Students of the process of political development can and should learn much from Taiwan s experiences **The Other Taiwan, 1945-92** Murray A. Rubinstein,2016-09-16 Examines the effects of the socio economic post war transformation on Taiwan s political system environment religious structures the relationships between the sexes and the different ethnic populations A complex revisionist portrait of the country emerges Taiwan Murray A. Rubinstein,2007 This is a comprehensive portrait of Taiwan It covers the major periods in the development of this small but powerful island province nation The work is designed in the style of the multi volume Cambridge History of China *The Political Environment on Taiwan* Michael Pillsbury,1975 This paper examines the political framework within which foreign businessmen operate on Taiwan In brief the government supervises the economy and the foreign businessman more closely than has been the case in for example Singapore and Hong Kong On the other hand the Taiwan government does not approach the extremes of protectionism and interventionism that are practiced by the Japanese government In fact Taiwan actively seeks many kinds of foreign investment and provides encouragement and practical assistance to the potential investor The discussion of government and politics in Taiwan is divided into three sections A first part reviews some relevant aspects of the Chinese political heritage Taiwan s government still pays annual homage to the 2000 year old Confucian tradition and it is important to grasp the image that Chinese officials have of their social functions and the role of government in society A second part notes some major themes in the political history of the Republic of China and the ruling Nationalist party in the twentieth century suggesting how past experineces have shaped the government s view of its present

situation This section also sketches the present governmental structure of the Republic of China and briefly examines a question relevant to potential foreign investors namely the question of Taiwan's ability to defend itself against external attack in the 1970's A third part discusses the specific government agencies with which foreign investors must deal

**Selected Works on the Political History of Modern China** Shinkichi Etō, 2004 Nation, History, and Culture Yufen Ke, 1999

Political and Social Changes in Taiwan and Mainland China King-yuh Chang, 1989 *Taiwan's Rising Rationalism* Shelley Rigger, 2006 **Cyclopædia of Political Science, Political Economy, and of the Political History of the United States: East India Company-Nullification** John Joseph Lalor, 1883 Cyclopædia of Political Science, Political Economy, and of the Political History of the United States, by the Best American and European Writers John Joseph Lalor, 1899 Taiwan at the End of the 20th Century Jou-juo Chu, 2001 Taiwan's Economic Success Since 1980

Zhaocheng Mai, Jiansheng Shi, 2001 Taiwan's economic development experience represents a unique case study especially in the wake of the Asian financial crisis Taiwan has performed outstandingly in terms of macroeconomic and industrial development particularly during recent democratic and social change This book aims to provide a broad picture of these institutional reforms and policy evolutions The expert contributors detail and examine the interactive relationship between Taiwan's economic liberalization political democratization and social pluralization Taking 1980 as a watershed the book highlights the impact these economic and cultural changes have exerted on SMEs foreign trade and investment technological progress industrial development and policy and the reform of financial and fiscal systems They investigate the contentious issue of whether political democratization is beneficial for economic development and go on to discuss the creation of an efficient Taiwanese economy and the resolution of conflicts created by social pluralization The book analyses the comparative advantage of Taiwan over comparable countries paying particular attention to the Asian financial crisis The authors offer a fresh approach by observing Taiwanese development post 1980 and integrating economic political and social analysis As such development economists and scholars of Asian economics will find this unique book both useful and enlightening

*Taiwan's Elections* John Franklin Copper, George P. Chen, 1984 *Survey of Recent Developments in China (Mainland and Taiwan), 1985-1986* Hongda Qiu, Hungdah Chiu, Jaw-ling Joanne Chang, 1987 *Directory of Taiwan Scholars*, 1992
