 Money touches everything in our lives It communicates our values whether we want it to or not often simultaneously  
 resulting in what we prefer and what we regret Those who wish to be thoughtful about how they reflect God's image in all  
 things do well to think through what they believe about earning and using money This volume walks through a logical  
 progression of how to think and act in regards to money and provides scores of scenarios for discussion and application

 and the role of faith in our lives The title indicates the aim of this work to present the mystery of God Christ and the Church
