Texas Iconoclast:

Texas Iconoclast, Maury Maverick Jr Maury Maverick,1997 Selections from Express News columns to reveal Maverick's views on a variety of topics *Brann and the Iconoclast* Charles Carver,2010-06-28 They wouldn't let him rest even in his grave Thus Charles Carver opens his story of the climactic years of a journalist who had poured out such blazing prose that readers from England to Hawaii mourned his murder The impact of William Cowper Brann's *Iconoclast* upon the town of Waco Texas in the 1890s was like a rocket burst in a quiet sky Rebellious against Victorian hypocrisy the newspaperman took aim at organized virtue exemplified for him by Baylor University and other Baptist organizations Dr Roy Bedichek noted author and naturalist knew Brann and after reading this book in manuscript said I am at once delighted and disappointed disappointed to find my teenage hero reduced to size delighted with the art of the biographer It has genuine literary excellence is a chapter in the history of the publishing business in Texas that needs to be put into print Brann, the Iconoclast William Cowper Brann,1899 *Brann the Iconoclast - A collection of the Writings of W.C. Brann in two volumes - Vol. Two* W.C. Peña Jr.** José Angel Gutiérrez,2017-07-01 The political and social impact that Albert A Peña Jr had on the lives of Mexican Americans and later Chicanos is by all counts immeasurable However in part because Chicano biography has traditionally been a neglected research area among academics generally and Chicano Studies scholars specifically his life's work has not featured prominently in any biographical work to date making this volume the first of its kind It provides a richly detailed documentation of Peña's life and career from blue collar worker to judge and essay writer spanning nearly ninety years Readers will find that at the heart of his story is a focus on grassroots organizing and politics sharing leadership and a commitment to social justice **America's Most Hated Woman** Ann Rowe Seaman,2005-03-18 Why did Life Magazine dub her the most hated woman in America Did she unravel the moral fiber of America or defend the Constitution They found her heaped in a shallow grave sawed up and burned Thus ended Madalyn Murray O Hair the articulate atheist bitch whose 1963 U S Supreme Court case ended school prayer Her Christian baiting lawsuits spanned three more decades she was on TV all over the country foul mouthed witty and passionate launching today's culture wars over same sex marriage and faith based initiatives She was a man hater who loved sex a bully whose heart broke for the downtrodden She was accused of schizophrenia alcoholism and embezzlement but never cowardice or sloth She was an ideologue who spewed toxic rage even at the followers who made her a millionaire She was a doting mother who accosted people to ask them to be sexual partners for her lonely children and whose cannibalistic love led her children to their grave She thrived on her fame but just as the curtain of obscurity began to lower the family vanished in one of the strangest of America's true crimes This is the real story of the most hated woman in America by the only author to interview the killer and those close to him and to witness the

family's secret burial in Austin Texas From the First Chapter The sky was gray and drizzling but it had stopped at the funeral home by quarter to nine Billy Murray hadn't spoken to his three family members for more than twenty years but he wanted to give them a decent burial Bill was an ordained minister but he didn't pray over the charred sawed up remains Baptists don't pray for the dead he said They either accept Christ before they died or they didn't He had his mother cremated in accordance with her oft expressed wish Her urn sat at the head of the burial vault as was appropriate for she had ruled the other two with an iron hand She was Madalyn Murray O Hair 76 founder of American Atheists and the Most Hated Woman in America a sobriquet she relished The other two were his half brother Jon Garth Murray 40 and his daughter Robin Murray O Hair 30 It had taken five years to find them and bring them to the cemetery for the service which was kept secret from the public It was their second burial Jerry Carruth the prosecutor who had searched for the family for nearly four years had watched them being excavated from their shallow mass grave on a South Texas ranch some months before He was watching the shoveling looking for the hip replacement joint Madalyn had gotten in 1988 When they found that he'd know he'd found Madalyn There it was he said shining in the sun like a trailer hitch
