## **Texas Land Ethics:**

**Texas Land Ethics** Pete A. Y. Gunter, Max Oelschlaeger, 1997 The authors offer a new vision for living on the land a land ethic that respects the stability integrity and beauty of the land community *Revisiting Aldo Leopold's Land Ethic* William Forbes, 2020-02 Revisiting Aldo Leopold's Land Ethic Emerging Cultures of Sustainability is a collection of essays about the man acknowledged by some as the father of wildlife conservation What may be a surprise to some is that Leopold was one of the early leaders of the American wilderness movement Throughout his life he played many roles wildlife manager hunter husband father naturalist wilderness advocate poet scientist philosopher and visionary He is best known as author of A Sand County Almanac and Sketches Here and There Beyond his descriptions of the natural world in this writing Leopold articulated an innovative idea known as the land ethic a new way of thinking and acting toward the land **Alternative Routes to the Sustainable City** Steven A. Moore, 2007-01-01 Dr Steven A Moore investigates the exemplary cities of Austin Texas Curitiba Brazil and Frankfurt Germany to examine how each city has approached and maintained sustainability and thus stimulated economic growth preserved threatened ecosystems and improved social equity These three cities have successfully developed different dispositions toward politics nature and technology proving that there is no single abstract model or universal checklist but different approaches for different people **Wild Earth**, 1999 **Texas Environmental Almanac** Texas Center for Policy Studies, 2000 From reviews of the first edition Nowhere else have the facts presented here ever been assembled in one place before This book ought to be placed in every library and newspaper office in the state Still more it could find a place in the high schools and universities in several courses history geography government environmental studies Texas Observer Here is an environmental map of Texas for all concerned citizens and policymakers Compiled by the Texas Center for Policy Studies this almanac provides crucial and comprehensive information on the state's land air water energy use and waste generation gathered from a wide range of state and federal agencies environmental organizations and historical and scientific reference sources The almanac is designed for quick easy reference by the public as well as by scientists and government officials and policymakers Extensively updated since the first edition it addresses such key issues as the quantity and quality of the state's environmental resources present rates of consumption and future levels of demand This vital baseline information will help all Texans understand the current condition of our state's environmental health and plan for our future environmental well being **The Landman**, 2005 **The Land Ethic** Si Balch, Society of American Foresters, 1998 **Salvation in Stewardship** Dustin M. Brooks, 2015 Using contemporary rhetorical theory of ethos as place this paper explores the environmental rhetoric of Aldo Leopold Wallace Stegner and Annie Proulx in an effort to locate effective rhetorical appeals to aid in bridging the gap that currently exists in the discourses of environmental politics and ethics In an effort to locate a rhetorical common ground for the ethical consideration of the environment this study presupposes that rhetoric shapes our view of responsibility and that a land ethic shapes our view of

what it means to be good stewards of the land This paper hopes to situate a classic yet renewed discourse of stewardship based rhetoric that is ignited on a personal level through imaginative exercises toward a place within which environmental discourse may be effectively reconciled Within this place all users of rhetoric are equal and dependent on the other to develop and implement real solutions toward the ethical treatment of our environment its resources and each other
