

A cable-stayed bridge is shown against a sunset sky. The bridge's structure, including its tall pylon and stay cables, is visible on the left side. The sky transitions from a pale purple at the top to a bright orange near the horizon, where the sun is setting. The bridge's reflection is visible in the water below. A dark grey text box is overlaid on the right side of the image, containing a quote in white text. Below the quote, a smaller red box contains the author's name in white text. At the bottom center, there is a small white icon of a person and the text 'suzannej'.

Never burn bridges. If it's a
faulty bridge then close it
off and let it fall on its own.
