The Bridge Of Beyond:

The Bridge of Beyond Simone Schwarz-Bart, 2013-08-20 This is an intoxicating tale of love and wonder mothers and daughters spiritual values and the grim legacy of slavery on the French Antillean island of Guadeloupe Here long suffering Telumee tells her life story and tells us about the proud line of Lougandor women she continues to draw strength from Time flows unevenly during the long hot blue days as the madness of the island swirls around the villages and Telumee raised in the shelter of wide skirts must learn how to navigate the adversities of a peasant community the ecstasies of love and domestic realities while arriving at her own precious happiness In the words of Toussine the wise tender grandmother who raises her Behind one pain there is another Sorrow is a wave without end But the horse mustn t ride you you must ride it A masterpiece of Caribbean literature *The Bridge of Beyond* relates the triumph of a generous and hopeful spirit while offering a gorgeously lush imaginative depiction of the flora landscape and customs of Gua deloupe Simone Schwarz Bart s incantatory prose interwoven with Creole proverbs and lore appears here in a remarkable translation by Barbara Bray

Beyond The Bridge Tobias Hochscherf, Heidi Philipsen, 2017-02-28 Drawing worldwide acclaim from critics and audiences alike programmes like *The Killing* *Borgen* *The Bridge* and *The Legacy* demonstrate widespread fascination with Danish style aesthetics and culture as seen through television narratives This book uses familiar alongside lesser known case studies of drama series to demonstrate how the particular features of Danish production from work cultures to storytelling techniques and trans national cooperation have enhanced contemporary Danish drama s appeal both at home and abroad The era of globalisation has blurred national and international television cultures and promoted regular cross fertilisation between film and television industries Important questions have emerged from this context surrounding for example the Americanisation of foreign television formats the meaning and practice behind the term quality television and the purpose and efficacy of public service broadcasting *Beyond the Bridge* tackles these issues in relation to Danish television by examining the so called scaffolded production processes behind the making of quality serials and their thought provoking content Drawing on popular motifs from these celebrated dramas such as foreign politics organised crime global warming and the impact of multinational corporations this timely book provides crucial insight into the Danish dramas at the forefront of sophisticated forward thinking fictional television

Beyond the Bridge: R. D. Lock, 2011-07-11 Seeking a job as a first year teacher Robin Robertson heads for an interview at the Westminster Rural Agricultural Schools in the spring of 1956 Here Robin could teach and also coach varsity basketball and counsel students Amid the pressures of beginning a new career he starts to wonder whether a big city person like himself can adapt adequately to the lifestyle of small town rural America This story pictures a way of life that has vanished in all too many places Many readers will relate to the challenges conflicts and rewards between students and an untried but idealistic teacher Others will recall athletic contests won and lost and perhaps will remember counseling that went way beyond arranging school schedules The author draws upon forty three

years of educational experience in high school and community college focusing on that memorable first year in front of a classroom being in charge of the community's Winter Entertainment Committee basketball games and creating a newly mandated school guidance program

Beyond the Bridge James Stephen Zoller, 2001-01-15 When a father dangles his son upside down from the Golden Gate Bridge the young boy is understandably terrified But why is he more frightened by the sight of his father's shoes Twenty two years later we awake in a small San Francisco apartment with Jessica Mason A lowly receptionist for a small law firm whose life is about to change forever when she meets Juan Carlos Montoya the handsome son of a Peruvian drug dealer who is haunted by a distant memory of his first visit to the Golden Gate Bridge Beyond the Bridge is a quick page turner that brings to life a handful of appealing and very real characters Laugh aloud conversations and unnerving suspense flow throughout a myriad of backdrops including San Francisco's high society Ohios Middle America and Perus underground world of crime and drugs all cascading into an unexpected yet dramatic conclusion With just a hint of San Francisco's gay flavor Beyond the Bridge captures the quirky flawed beauty that is the City by the Bay a city where receptionists become artists criminals become millionaires and Middle America becomes comic relief
