## The Captain Cooks:

The Captain's Cook Victoria Vanransom,2025-09-30 The wind is like a dance partner always changing always leading us in a different direction When an ad for a luxury yacht searching for a chef crosses Jessica Kline s eyes she knows this it is the chance for a fresh start Broke divorced uninspired in her career and unlucky in love in her late fifties she finds herself at Marina del Rey s California Yacht Club staring down the Slow Dance as it waits to embark on a voyage to Tahiti and beyond It is time for her interview to be the captain s cook Jess s culinary skills aren t in question The real test is whether she s willing to take the leap of rediscovery into uncharted waters with no guarantee this time she ll make it out unharmed But as soon as Jess meets Captain Cliff Reed she begins to get the sense she s not the only one who s been tossed around by life s waves Once upon the high seas Jess must balance her ship duties with navigating the unpredictable winds of the skies and her crewmates alike her enigmatic captain not excluded But as she becomes filled with the breath of adventure and the fire of renewal she soon realizes that it will be up to her to find the courage to face what lies ahead with an open heart and a sense of wonder

In Search of Captain Cook Dan O'Sullivan,2008-03-30 Captain James Cook was the greatest explorer of his age perhaps of any age He was a leader of men a master voyager who journeyed to unknown places a seeker of knowledge who commanded three demanding scientific expeditions He and his crews had encounters with peoples of the South Seas which could lead to mutual respect and trade but also to misunderstanding and violence Even before he died his exploits were widely admired But his death at the hands of Hawaiians turned him into a legendary figure a hero of the Enlightenment who was said to have brought civilization to the Pacific while giving up his own life in the process Yet despite everything that is known about Cook s life and many adventures the man himself remains shrouded in mystery With this book Dan O Sullivan seeks to put this right and casts vivid light on Cook s character teasing out his personality from the pages of his own journals As well as an original and illuminating re examination of Cook s complex character this is also a vivid introduction to his life and times which is essential reading for anyone with an interest in this incomparable sea captain

suggestion being that a branch of the family possessed a crayon portrait of some relation which was supposed to resemble the great discoverer He makes no explanation of the difference in spelling of the two names and admits that the sailor's family was said to come from Scotland Dr George Young certainly the most reliable authority on Cook's early years who published a Life in 1836 went to Whitby as Vicar about 1805 and claims to have obtained much information about his subject through intercourse with his relatives friends and acquaintances including one or two surviving school companions and appears to be satisfied that Cook was of Scotch extraction Dr George Johnston a very careful writer states in his Natural History of the Eastern Borders that in 1692 the father of James Thomson the author of The Seasons was minister of Ednam Roxburghshire and a man named John Cook was one of the Elders of the Kirk This John Cook married on the 19th January 1693 a woman named Jean Duncan by whom he had a son James baptised 4th March 1694 and this child Johnston positively asserts was afterwards the father of the future Captain Cook The dates of the marriage and baptism have been verified by the Reverend John Burleigh minister of Ednam and they agree with the probable date of the birth of Cook's father for he died in 1778 at the age of eighty five Owing to the loss of the church records for some years after 1698 Mr Burleigh is unable to trace when this James Cook left Ednam to better himself but he would take with him a testificate of church membership which might possibly but not probably still exist Attracted perhaps by the number of Scotch people who flocked into the north of Yorkshire to follow the alum trade then at its height James Cook settled down and married and the first positive information to be obtained is that he and his wife Grace her maiden name has so far escaped identification though she is known to have been a native of Cleveland resided for some time at Morton in the parish of Ormsby and here their eldest child John was born in January 1727 Dr Young says that James Cook had a superstition that his mother's farewell was prophetic of his marriage for her words were God send you Grace
